President's Mewsings *January 2016*

Happy New Year

Happy New Year to all of our DVJC members, families, and friends. As I start serving my second year as President, I am reflecting on a very busy and successful 2015, including the major task of hosting the JCNA Annual General Meeting in March. I am hoping that you will continue to support club activities in 2016. It will be an exciting year IF we make it so by participating and volunteering. If you take part in and help organize events, the club will remain alive and vital. Communicating ideas about what turns you on as a club member will keep the club progressive - the more suggestions we have from our members the more effective we can be in making the Delaware Valley Jaguar Club enjoyable for all. The club officers will be meeting in February to suggest and plan programs for 2016 – so please send your ideas to any of the officers and directors (email addresses are listed at the front of this publication). I will keep you appraised in future columns as the plans develop. In the meantime, plan to attend our Breakfast Socials which generally occur on the third Sunday of the month (see page 12 for the schedule).

Speaking of officers and directors, I want to thank each of them for their tireless efforts over the past year including Vice President Alex Giacobetti (one of the oldest active members of the club), Treasurer Bill Beible, Secretary Clara Saxton, Membership Director Ann Perry, Regional Director Mike Wolf, Regional Director Rich Rosen, Past Presidents Charlie Olson and Kurt Rappold, Activities Director Mike Tate, and Purr Editor Brian Craig.

Mike Tate has done a great job of organizing the Holiday Party scheduled for January 17,

2016 (see page 9 in this issue for the flyer), including a wonderful collection of auction items and guest speaker Michael Smyth, President and COO of The Great Britains Automotive Group, who will give us a view of Tata's product development plans for Jaguar and Land Rover. **YOU MUST SIGN UP IN ADVANCE FOR THIS EVENT** so do not hesitate; the party is just about two weeks away as I write this column.

Many of you know that Charlie Olson suffered the loss of his wife, Carole, of 60 plus years and took a fall resulting in a hairline fracture of his hip. But he is a trooper and said he will organize a team to run the Concours d'Elegance at the Oakbourne Mansion as part of the Cars and Motorcycles of England Show on Saturday, June 4, 2016 – but he would like someone else to take over as chair of the event. PLEASE contact Charlie or me if you would like to take over this important task. Charlie will, of course, work closely with you to ensure we have another excellent event. By the way, we always need help with judging at the event. We will train you and pair you with an experienced judge, so do not be shy.

As I stated last year, we will always have our competitive sanctioned driving events (slaloms and rallies), but I want to continue to include lower-key driving activities that allow us to get our Jaguars out in a relaxing social atmosphere; events such as the Brewery Tours organized by Rich Rosen and Bob DeLucia and the Elmwood Park Zoo Tour organized by Mike Wolf. I am working on a tour for next August 13 that will end with dinner at the Terra Cotta Room at Longwood Gardens followed by a concert at the Longwood Open Air Theater by the Kennett Symphony Orchestra.

President's Mewsings *January 2016 (continued)*

Breakfast Social Change for February

On February 21 our Breakfast Social will be held at 10:00am at the Spring House Tavern at 1032 Bethlehem Pike in Spring House PA. While Andy's has served us well, we always have an issue reserving tables because we never know the exact head-count. The Spring House Tavern will let us use a private room for the breakfast. You can enjoy the brunch or order from the regular breakfast menu. We will have a separate area for parking our Jags. Thanks to Tom Shaner for setting this up.

Membership Renewal Time

If you have not done so, please send in your membership renewal (see page 15 for the renewal form). If there are no changes to your membership you may simply send a check, payable to DVJC, in the amount of \$55 to Ann Perry.

Recruiting and retaining new members is the biggest challenge we face as an affiliate club of the JCNA. We all have a responsibility to seek out new members and tout the advantages of membership including the opportunity to make new friends, to enjoy the use of our Jaguars for social and driving events, to have access to technical information and experts, and subscriptions to the JCNA Jaguar Journal and The Purr. Don't forget that we have a "Youth Enthusiast" membership for only \$15 per year. The young person must be under 25 years of age. I plan to sign up my older grandson Nate, who will be getting his learner's permit later this summer. He has navigated for me on a VSCCA rally and is a potential "gear-head".

See you on the 17th.

Be happy. Drive safely. It's a Jaguar kind of day.

IT IS MEMBERSHIP RENEWAL TIME!!!

If your information is unchanged since last year just send the \$55.00 membership fee to:

Ann Perry
P. O. Box 163
Mendenhall, PA 19357

If your information has changed please use the membership application / renewal form on page 15.

Ann needs the renewals by January 15th for JCNA.

We hope to see you at events in 2016. Your continued support is appreciated.

Roving Reporter - January 2016

By Michael Tate

THE MURPHY'S ARE BACK IN PA

They left to take up residence in Santa Fe seven years ago taking their SS100 and their dog Sashie with them. They have now returned, taking up residence in Newtown Square with Sashie (12) but no SS100. Sold long ago. BUT they came with the very latest Corvette. With every option which John reckoned was a better choice for him than the F-Type R. He says "he is still infatuated with it" and also promises to give me a ride in it soon. Note he does not say "let me drive it soon."

What he did let me drive a couple of years ago was his replica C-Type that is now finished except for the paint job intended to be in "Brilliant Copper" which I understand is a Mini color. With cream and black trim. John has built this car from a kit but has added his own interpretation adding a full electric motor and adding a glove box the door of which is signed by both Stirling Moss and Norman Dewis. Both innovations make the car unique. He has christened it "The Z-Type."

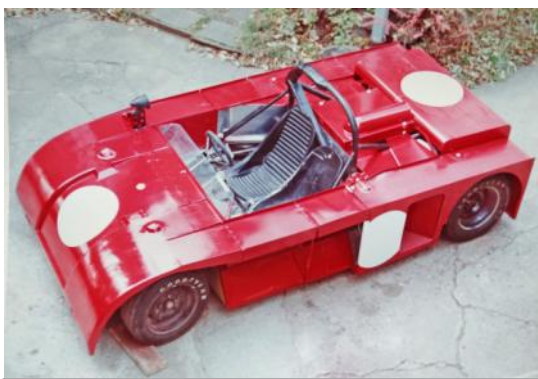

Replica C-Type a.k.a. "The Z-Type"

When I drove it I was amazed at the acceleration in complete silence. Spooky. It is very fast and I would imagine handles better than the original. When I asked John if he was bringing it to the Concours he responded saying, "You may say that." So we will see. I am sure it would be the star of the show and it is here now stored in Consohocken.

I said, "The Murphy's are back in PA" but the truth is they never left. For the seven years they lived in Santa Fe they renewed their membership in the DVJC. An example of loyalty to the club. Thank you Marte and John.

Last year John's brother Ed died and John is settling his estate. Inevitably there are two cars he needs to find good homes for:-

Both good cars for young people to occupy themselves with away from drugs and guns.

John's every day car is a Volt and Marte has her BMW which she obtained when she traded in her X-Type as there was no Jaguar dealers in Santa Fe. They regret they cannot attend the party as they have to return to Santa Fe but they said they would be there next year.

JAGUAR UNVEILS FIRST EVER SUV

Most luxury brands offer at least one SUV in their line-up. Bentley very recently released their version, the Bentayga. The release by Jaguar surprised many market watchers as Tata has an SUV range with Land Rover. Called the F-

Pace it will be built at the JLR plant in Solihull, Warwickshire which is the traditional home of Land Rover and the now defunct Rover cars.

The F-Pace will be offered in the USA with a choice of either a 380 or 340 horsepower V6 engine, both supercharged, or a 180 horsepower 4 cylinder diesel engine. All models will have an eight speed automatic transmission and full time all wheel drive system. The most powerful model ver-

sion will be capable of going 60 mph from a standing start in just over 5 seconds says Jaguar.

With the new XE sedan being introduced many dealerships who sell both Jaguar and Land Rover will find it difficult to exhibit the full range of all products.

PARTY TIME

I have to give the William Penn Inn our numbers so if you have not signed up by sending me a check you could be excluded. Please do it now. Enter the area where our party is
