## Your Monthly Bill *June 2019*

*Recognize  
this?*

Unlike the spring of 2018, the weather gods blessed our May events and last Saturday's Concours with delightful DRY spring weather! On May 12, DVJC members enjoyed a 46-mile drive from Yardley to the Braveheart Highland Pub in Hellertown along with friends from Delaware Valley Triumphs. Over 70 members and guests had a great time celebrating at our weather delayed annual Holiday Party – no snow or ice - except in the drinks! ...and the Concours was a great success on a picture-perfect day! We should all acknowledge Rich Rosen (Spring Drive), Paul Trout (Holiday Party) and Jim Sjoreen (Concours Chairman) for their work planning and organizing these events.

By all accounts, the combined Cars and Motorcycles of England/Jaguar Concours d'Elegance/Ales & Petals event was the "best yet." Spectator attendance appears to be up substantially over 2018 and the air seemed to buzz with the energy of people enjoying themselves. Of course, none of this was possible without the dedicated efforts of the Friends of Hope Lodge, Delaware Valley Triumphs and DVJC all work-

ing together for the past seven months to "make it all happen." As in years past, Jim was supported by Charlie Olson, Chief Judge, Paul Merluzzi who organized parking volunteers and Brian Craig, working "behind the curtain," to complete the administrative tasks essential for registration, judging, scoring and food vouchers ("\$ Alexander Hamiltons") for volunteers. "Thank you" to the 50+ member volunteers who set the site up on Friday, served as judges, worked the display field and filled parking assignments. In addition to DVJC certified judges, the judging corps included three certified judges from other JCNA clubs and six of our recent new members as apprentice judges.

Bruce & Shelly Menkowitz who renewed their membership after it lapsed for several years

Coming up! Two more events in June – [Monthly Breakfast Social](#) on June 16 and a [Gathering of Friends](#) on June 29 at Paul and Irena Merluzzi's home. Please use the website to RSVP for both events. Alternately, you can email Paul Merluzzi ([pawlym@aol.com](mailto:pawlym@aol.com)) for both the Brunch and the Gathering of Friends.

Paul Trout composed and ordered business cards that we can use to promote DVJC to prospective members – either “face to face” or under their windscreen wiper. I was not arrested when I placed one on a new F Type S in the Acme parking lot and have since used them when speaking with several other people. I strongly encourage each of you to contact Paul Trout ([pgtgt@aol.com](mailto:pgtgt@aol.com)) to get cards that you can keep handy and distribute to potential members.

Enjoy your cars. We've got many “Jaguar Kind of Days” in front of us this summer!

## Speaking of Things Jaguar - June 2019

By Paul Trout

### High Performance: When Britain Ruled the Roads

High Performance: When Britain Ruled the Roads is the title of a book I recently ordered. I can't tell you much about it at this point as it is still bobbing about in the Atlantic on its way here from Merry Olde. However, I think "When Britain Ruled the Roads" is a quite apt description of the field at this year's "Cars and Motorcycles of England and DVJC Concours" event. There was plenty of British Racing Green mixed in with so many other colors so beautifully suited to the British sports car and saloon.

It would appear that whatever sacrifice Jim Sjoeren made to the rain gods worked, because it was a great day to pull the top down and go motoring to a British car show. Plenty of great cars showed up. Of course the centerpiece of the show was the long double row of gleaming Jaguars. Our magnificent Marque was very well represented. There were even a couple of non-JCNA Jaguars that were registered with the CMOE British car show on the field. I'm told that the owner of one of them, a stunning blue XKR Portfolio Edition, joined our club on the spot.

The entire span of Jaguar history was well represented on the field from the 1938 XK-SS to a 2019 iPace and pretty much every model in between. It was truly a "Jaguar Kind of Day" for both the owners who displayed their cars and the spectators who were wowed by them. When Sue and I arrived, a bit before 8am, the field was abuzz with Jaguars coming up the lane from Bethlehem Pike and down the lane from the trailer parking area with Union Jack flags waving them to their designated spaces. Quickly the field filled up and it was time to move from flag waving to Concours judging. After the judges meeting, Charlie announced "Rags Down!" and, suited in our white safety vests with clipboards in hand, we descended upon the neatly lined up Jaguars in search of authenticity

and cleanliness. While every Jaguar on the field was quite special in its own right, and truly represented "The Art of Performance", there were a couple that particularly caught my attention.

Seeing Alan and Margaret Brown slowly motoring their magnificent British Racing Green E-Type Coupe down the field to their assigned space brought such a smile to my face. Many of us have been following the restoration of said E-type for a couple of years now. When I saw Alan and Margaret at the last DVJC Breakfast Social, both were quite committed and determined to have the E-Type ready for the Concours; and they did it! From the delightful tales they have shared, this restoration was truly a team effort from both of them; right down to installing the seats on Friday night. Well Done to Team Brown!

Dennis Mamchur's 2005 XKR Stirling Moss Edition immediately grabbed my attention with its Racing Green stripes over silver and "Grand Sport" style wing stripes. As one of only five made, it is a rare and magnificent cat indeed. The Stirling Moss Edition has special paint, Brembo brakes, Recaro seats, Borla exhaust, Foose wheels, and a plaque affixed to the inside of the boot lid with Sir Stirling's signature. You just don't see one of these every day.... It is one cool car!

## Speaking of Things Jaguar - June 2019 (cont'd.)

---

In my short tenure as a judge I've helped score a couple of 100.0 point cars, but these were mostly very highly restored XK 120s. A brand new Jaguar driven off the showroom floor might be a 100.0 point car if, and only if, the dealer had a really good detailer with extraordinary attention to detail. When the other two judges, who were judging the exterior and engine bay, and I conferred after our inspection, we all said the same thing simultaneously..."I can't find a thing wrong here!" Everything was as new and there wasn't a speck of dirt to be found anywhere. Robert Silvestri's 1998 Meteorite Silver XK8 convertible was indeed a 100.0 point car. It was just as if it was on a Jaguar dealer's showroom floor twenty one years ago. Well done Robert!

Jaguar sports cars are supposed to be fun. When I look at Kevin Fitzgerald's 1969 E-Type OTS, I just think fun! While not authentic in the traditional Concours sense of the word, it is authentic fun! His beautiful blue E-Type has a number of very tasteful modifications that a young man, such as myself or Kevin, might have applied to an E-Type in the early seventies. In fact the same items, generally acquired out of an AMCO catalogue, graced my MGB in the day. Wire stone guards over the headlights, Stebro, Ansa or Abarth free-flow exhaust, Lucas fog lights, racing mirrors, wood rim Moto-lita steering wheel, wood or leather wrapped shift knob, these were the things we spent our money on to make our sports cars unique in the day. Kevin's blue E-type genuinely captures the feeling of that era; and the matching hard top is the cherry on the top. I just love that car for the feeling it evokes in me. Well Done Kevin!

I think this year's Concours was one of our best! Kudos to Jim Sjoreen and his team! Well Done DVJC Concours Team!

The Concours on June 1<sup>st</sup> was really the climax of what was a "Jaguar Kind of Month". May was full of "Jaguar Kind of Days". For me it started with Bill Beible and me as guests, representing DVJC, on Steve Saffier's CarSmarts radio show. An opportunity to "Speak of Things Jaguar"? What better way to spend a Saturday morning. Bill and I showed up quite early with enough notes prepared to do a six hour monologue for a one hour show. As Steve led us up to the WIP studio on City Line Ave, he explained that this is live radio and we would only have a couple of minutes to get set up in the studio after the previous show exited. Steve also mentioned that one of the cast members of the previous show often brings his dog and can be a bit eccentric. Turns out the dog stayed home this week, but the scene that unfolded as they exited was right out of a Pink Panther movie. In the middle of the group of about four was an older gentleman with a walker who still had his headphones on and they were still plugged into the jack back in the room. No one in the group had noticed until he was well into the hallway with the cord so stretched that it was about to bungee him back into the studio. At that point there was a moment of mayhem with shouts and raised hands. As the headphones were lifted off of his ears, the gentleman never missed a stride and disappeared down the hallway. With that scene out of the way, we entered the sound studio. As it was my first time doing a radio show, I wasn't quite sure what to expect. Bill and I sat at a table and put our headphones over our ears. The headphones had long coiled cords, much like corded phones used to have, so we were tethered together facing large boom-mounted microphones. We heard a commercial message announcing the show in our ears and when it concluded, we were "live and on the air". Steve introduced each of us and asked us to say a bit about ourselves and DVJC and then we just "Spoke of Things Jaguar" for an hour. That hour went by faster than an F-Type at full throttle. It was great fun and I hope Steve will invite us back for a "Part Two". If you missed the show you can listen to a podcast of it at [610espn.com/shows/carsmarts-radio](http://610espn.com/shows/carsmarts-radio).

Next up was the Annual Triumph / Jaguar Delaware River Scenic Drive from Yardley to Hellertown. Unfortunately I had a family conflict on that date and couldn't make it, but I understand both clubs were well represented and a good time was had by all. Rich Rosen must have paid off the rain gods as well since it was a perfect day for motoring in a Jaguar....or a Triumph. Having missed the Delaware River Scenic Drive, I decided to enjoy my Jaguar the following Saturday by taking it to a Cars & Coffee in nearby Lionville, PA. I asked my friend Max Sandler, of rock & roll keyboard

## Speaking of Things Jaguar - June 2019 (cont'd.)

fame, if he wanted to go as well. After some back and forth via email we had a full “Jaguar Kind of Day” planned, with Sue and Kate included. This was my first Cars & Coffee, so I wasn’t sure what to expect. It was pretty cool. It could be best described as a very informal car show on a strip mall parking lot. Sort of a “drop in; drop out” format with cars coming and going throughout the morning. The mix was mostly Corvettes and muscle cars with a couple of MGs and Porsches thrown in. Max and I had the only Jaguars and therefore had the coolest cars there. Fortunately there was a nice gift shop in the strip mall, so Max and I could survey the cars at our leisure. After the show we took an hour long drive on secondary roads through Chester and Berks counties to the historic Yellow House Hotel in, of all places, Yellow House, PA. After a very nice lunch in the hotel we drove to the Manatawny Creek Winery in Douglassville, Pa for a wine tasting. It was just a great way to enjoy our Jaguars.

Afterward I thought to myself, why haven’t we done this before? It was so easy to put together. It’s the perfect sort of last minute or “Pop-up” event. So, make use of our DVJC FaceBook page and email list and have a “Pop-up Jaguar Kind of Day” with some Jaguar friends.

The next day was our annual DVJC Holiday Party at the William Penn Inn. Originally scheduled for January 20<sup>th</sup>, we were exactly four months late getting started. Anyway, the weather was so much nicer and the parking lot had way more Jaguars than we see on a typical January date. Good food and drink with great Jaguar friends was the order of the day. This was the first Holiday Party since we lost our dear friend Kurt Rappold and he was well remembered. Pat Rappold was in attendance to witness the first presentation of the Kurt Rappold DVJC President’s Award. I had the honor of standing in for Paul Merluzzi to present the award to Bill Beible for his numerous and significant contributions to our club. Well Done and Well Deserved Bill!

BTW, we are on for January 19<sup>th</sup>, 2020 for the 2020 DVJC Holiday Party, so mark your calendars now.

A short two weeks later, June 1<sup>st</sup> brought the DVJC signature event; the Concours to wrap up the “Jaguar Kind of Month” and start a new one. Coming up in June we have three scheduled DVJC events:

Sunday June 16<sup>th</sup> is our monthly Breakfast Social at the Spring House Tavern. What better way to start your Father’s Day than driving your Jaguar to brunch with your Jaguar friends.

Thursday June 27<sup>th</sup> is rare and special opportunity to tour the Nicola Bulgari Center in Allentown, PA. This world class car collection and restoration facility is not open to the public. It is only through the efforts of long term DVJC member Mauri D’Angeli, who is a personal friend of Nicola, that we have been able to secure a private tour. This opportunity may not come around again, so be sure to sign up.

Saturday June 29<sup>th</sup> is a Jaguar Gathering of Friends at Casa Merluzzi. It is also Paul Merluzzi’s conception celebration. I’ll let him explain that. This is always a fun event. One of the things I particularly like about it is the way the tree lined street in front of their home

## Speaking of Things Jaguar - June 2019 (cont'd.)

looks so cool lined with so many different colors and models of Jaguars. This is not one to miss.

July looks as exciting as June with, presently, three events scheduled:

Sunday July 14<sup>th</sup> is the annual DVJC Slalom at Garnet Valley High School - Home of the Jaguars. The slalom is an opportunity to test your skill at maneuvering your Jaguar on a closed course. The format is one car at a time against the clock. It is low pressure and a lot of fun. While speeds are moderate, from inside the car they seem quite fast.

Saturday July 20<sup>th</sup> is a New Jersey event that includes a scenic drive to visit some art galleries and ends with ice cream. What could be better than that! Members and Non-members with Jaguars on both sides of

the Delaware are encouraged to participate!

Sunday July 21<sup>st</sup> is the monthly DVJC Breakfast Social at the Spring House Tavern. Most members bring their Jaguars and they look so impressive lined up on the back row of the parking lot. It is a great way to catch up on the latest with your Jaguar friends. If you are new to the club, the Breakfast Social is a great way to meet other members. If you have a friend who is interested in Jaguars, bring him or her along for a DVJC test drive.

As you can see, our Events Directors are working hard to generate an active calendar of DVJC events. If you have any suggestions for future events, please let Tom Shaner or Mike Wolf know. Better still; organize an event in your area. The Events Directors will be happy to help you make it happen.

With the summer driving season upon us, there are plenty of opportunities to have a "Jaguar Kind of Day" with your Jaguar friends. All DVJC events are "More is Better" events. They are so much better when more members participate. So, let's put some miles on that Jaguar of yours and have some fun with your Jaguar friends this summer.

**Enjoy Your Jaguar!**

# DELAWARE VALLEY JAGUAR CLUB

## SPECIAL TOUR OPPORTUNITY

---

A Private Tour of the NB (Nicola Bulgari) Center in Allentown  
Thursday June 27, 2019

The NB Center is a 21 acre compound located on the site of a former drive-in movie theater; the screen is still there and is used regularly. The compound houses Mr. Bulgari's private collection of over 150 car, mostly American cars from the 30's and 40's. Among the collection are several cars that most of us have seen in the movies, such as the taxi from "It's a Wonderful Life". In addition to the collection there is perhaps the most comprehensive automobile restoration facility in the world. Each discipline of the restoration process has a separate building. Many of the same tools and machines that were used to originally build the cars have been restored and are in use restoring the cars. The full time staff, more than a dozen technicians, restores the cars as they were built with the same materials and craftsmanship regardless of cost. The Compound also houses the Historic Vehicle Association Laboratory. This is a rare opportunity to see a unique facility dedicated to the preservation of the automobile.

Please RSVP on the DVJC Web site at <https://delvaljaguarclub.com/events/private-tour-of-nichola-bulgari-auto-collection-allentown-pa/> or to Paul Merluzzi ([pawlym@aol.com](mailto:pawlym@aol.com)) by Monday June 24th.

## DVJC and DVT Drive and Lunch

Article By: Bob De Lucia and Rich Rosen

---

On a cooler, but dry Saturday May morning, 37 DVJCers and Delaware Valley Triumph members had a rendezvous at the Yardley Inn, a stone's throw from the scenic and well-used River Road.

In the parking lot there was an assortment of LBC's (and larger). I was lucky enough to enjoy the ride as navigator in a pristine 1966 Sunbeam Tiger, driven by DVTer Sumra Manning. The weather warmed up, and several tops on the Jaguars and Triumphs were lowered to enjoy the drive.

As suggested by DVJC and DVT member Mike Wolf our ride was in conjunction with a "Memorial Mountain Road Tour for Charles Runyan." Their drive started at The Roadster Factory in Armaugh, PA. Over 120 cars and 170 people participated in that drive. Rich Rosen and I put this annual drive together for the two clubs.

I put together what I hoped would be a scenic drive, hopefully with no detours because of recent rain flooding, and/or some untimely road repair. It was a back roads route along River Road, turning west via many other back roads, back to River Road, on 611 a short time, turning west on Rt. 212, though more back roads, eventually travelling up and down some mountains outside Hellertown, to arrive at our destination. Hellertown in June is also the destination for the annual "British Motorcar Gathering" (this year on June 9th), that many of us attend.

Along the route, there was a nice wel-

come along the route, as DVT members Dan and Sherri Tinsman were waiting by the side of the road in Lumberville, and waving Union Jacks across from the historical Tinsman Lumber Yard.

The drive ended at "Bravehearts", in Hellertown, PA. An authentic Scottish Pub, we had traditional Scottish/British fare (Fish and Chips, Bangers and Mash, Shepard's Pie, etc.), as well as Scottish/British pints on tap or hand-cask (Bell Haven Scottish Ale was one). We had a private room. Mike Wolf initiated stories about Charles Runyan and various TRF Summer Party stories. Dave Hutchison also had some stories, as well a plug for the 2019 "America's British Reliability Run", that several DVJC members have driven in previous years.

On the drive we had the following:

The previously mentioned Sunbeam Tiger. For DVJC: three E-Types, XJS, F-Type, XJSC V12, XK 150. DVT had a Triumph Italia, two TR6's, TR4A, two TR4's, two TR3's, TR8. Don Weinberger's TR3 joined us at the restaurant.

Until next year, with DVT.

Cheers,

Bob

## 1997 Jaguar XJ6 Vanden Plas

VIN: SAJKX6249VC792292

This is a one owner, 30,300 mile, original Jaguar XJ6 Vanden Plas (LWB) Daimler edition that we recently acquired from the original owner. He purchased the car new from Philpenn Motors in Bryn Mawr PA. The dealership applied Daimler badging to the car when new. It is gorgeous in Sherwood Green. The interior is virtually brand new and everything works as it should. AC, AM/FM/CD, power(heated) seats, sunroof, trip computer all function properly. When we acquired the car, we spent over \$3000 to get the car running perfectly. Details of the 30,000 mile service include:

Belt Replacement, throttle body service, oil change & filter, shocks and strut replacement, filter change, etc.

This XJ6 is the long wheelbase model with lots of extra room in the rear. The wood, including the tables, is exquisite. This is an exceptional motor car and needs nothing! Remember it only has 30,300 miles and is a one owner car. It has a clean CarFax, and must be seen to be appreciated. Call David (610 647-5900), to arrange an inspection.

Asking \$13,500
