PRESIDENT'S MESSAGE

I thank all of you who for your vote of confidence in reelecting me as your president over the next two years. I promise to bring all my abilities to bear in catapulting the DVJC to its rightful position as the #1 JCNA affiliated club in North America. This can only happen if you, too, dedicate yourself to achieve this high and lofty goal set by your president. Nothing is easy in this world, for if it were everybody would be doing it and it is also true that nothing happens in this world unless one makes it happen. It is impossible for any single person to accomplish but all of us pulling together can make this formidable task become an easy accomplishment.

The years activities have been published and are now in your possession. Mark your calendars now and plan to attend as many club functions as you can in this the year of renewed dedication and interest in YOUR JAGUAR CLUB.

Only people make things happen. You are the one most important persons in our club. If you and other members plan to attend two or more meetings this year and contribute to their success our events will be oversubscribed.

Any and all input from each and every one of you will be much appreciated. THIS IS YOUR CLUB. MAKE IT WORK FOR YOU. The implementation of new ideas and programs are only possible if those concepts, thoughts and ideas are forthcoming from my fellow members.

The New Breed Jaguar XJ6

*"...world-class handling,
and ride, and refinement,
all in the one chassis."*

PERFORMANCE CAR, November 1986*

The new breed Jaguar XJ6 sedan moves swiftly and surely.

With unique "pendulum" isolation, its fully independent suspension tunes out road imperfections without turning spongy. It achieves a near perfect balance of agile handling and supple ride.

Its new double overhead cam six cylinder engine, with 24 valves, provides authoritative response and extraordinary high speed capabilities. Yet its serenely silent cabin surrounds the driver and pas-

sengers with the Old World splendor of supple, fragrant leather and fine wood.

If you'd like to experience all of the world class qualities of the new XJ6, please call or visit our showroom. We'll be happy to arrange a test drive.
