PRESIDENT'S MESSAGE

ATTENTION ONE AND ALL.

The monthly meeting scheduled for April 14th at The Lukens Inn will be our only meeting until September 1991. Please make every effort to be there.

The Tech Session at Lindley Motors hosted by Lou Ottaviano and his staff was just what the Doctor ordered. Help was freely available to all members seeking it. The food was in abundance, Beautifully presented & delicious. Jaguar Jargon also was bountiful. The club owes a sincere Thanks to Lou and his staff for a resounding success. Lets do it again Lou. Incidentally Lou rebuilt his beautiful building from the ashes. All this within one year. My hat is tipped to him for a fine facility.

Bern & I have just returned from California, we brought back loads of goodies for the Auction. It promises to be the best yet. Please be sure to attend for a fun filled afternoon. Bring lots of CASH and go home with some of our finds while enriching the coffers of your club. A full report on the Annual General Meeting held in Long Beach Calif. will be made at the April meeting.

JACK E. SANFT,

SOLD

SEE YOU AT THE AUCTION

The New Breed Jaguar XJ6

***"...world-class handling,
and ride, and refinement,
all in the one chassis."***

PERFORMANCE CAR, November 1986*

The new breed Jaguar XJ6 sedan moves swiftly and surely.

With unique "pendulum" isolation, its fully independent suspension tunes out road imperfections without turning spongy. It achieves a near perfect balance of agile handling and supple ride.

Its new double overhead cam six cylinder engine, with 24 valves, provides authoritative response and extraordinary high speed capabilities. Yet its serenely silent cabin surrounds the driver and pas-

sengers with the Old World splendor of supple, fragrant leather and fine wood.

If you'd like to experience all of the world class qualities of the new XJ6, please call or visit our showroom. We'll be happy to arrange a test drive.

ENJOY TOMORROW. BUCKLE UP TODAY.

SINCE 1948

GARAGE KEPT XK120 GIVEN AWAY!

In March of 1960 my dad acquired a 1954 Jaguar XK120 SE Drop Head Cp. I was sixteen years old then, interested in being difficult and all of the other 16 year old things. As time wore on and I thought that I knew all about sports cars, I extolled the virtues of many sport cars or cars I claimed to be sports cars. (2 Morris Minor convertibles 3 Alfa Romeo's and 2 MG's) Jaguars, especially early ones were looked upon as difficult vehicles to service and requiring frequent applications of that difficult and expensive service. Later, as beautiful but out of date.

After I was married I saw very little of the old Jag. My dad drove it less and less and finally for the past ten years not at all. The Jag sat covered up in his garage and awaited a savior.

In late 1989, My dad having reached his 71st birthday, decided that he did not want the car and needed space in his garage to keep a new garden tractor. He offered it to me and I cheerfully accepted. In the time following, I labored at resurrection. The 120 was almost completely original. Dad was a careful driver so the car not only was complete but undamaged except for minor rust and parking lot encounters, so restoration was made easier. The car is now about half way restored and is being driven occasionally on sunny weekends.

The early Jaguars were beautiful machines, even when placed alongside today's performance or sports cars the 120's graceful lines put the new cars to shame. My heartfelt thanks go to my father for enabling me to own such a machine and for having taken such good care of my car.

Thanks,
Rodger Seitz
