THE PREZ SEZ

On September 17, 1995 I attended the Nation's Capitol Jaguar Owners Club Concours in McClean, Virginia. The weather was excellent there, even though it rained so heavily in our area that the All British Car Show and the Franklin Mint Show were both canceled.

There were forty cars on display, and judging began at 10:30 A.M. DVJC was represented by Roy & Sydia Anderson with their beautiful MK I. They captured first place in their class with another 99.6 points and the prestigious yearly Lou Delafield Award.

Second place in the driven category was won by Robert & Carol Boyd's 1956 MK I Jaguar with a score of 9.802. Our V.P. Joe Federico and his XJS and Dave & Kathy Hershey in their XJ6 were entered in the driven class. Everyone had an enjoyable day.

Happy Motoring!
Kurt Rappold

 When tightening or loosening brake lines or fuel lines always use a flare nut wrench. This wrench looks like a box wrench with a small portion of the box end removed. A flare nut wrench has an advantage over an open end wrench because it grips the fitting on four sides while an open end wrench only grips on two sides. The more surfaces of the wrench that engage the nut or fitting the less chance of rounding the edges of the nut or fitting.

 When installing brake shoes try placing masking tape over the surface of the shoes that contact the drum. This will prevent grease or dirt from getting on the shoe surface. When finished just remove the tape. If any gum from the tape remains it can easily be removed with sandpaper.

 When working on window winding mechanisms (manual or power window) try this tip. Raise the window and use rubber wedges (door stops, etc.) between the glass and the frame. This will prevent the glass from sliding down into the door.

The Great Delaware Valley Jaguar Club Auction

Here is an opportunity to meet and greet your fellow club members in a beautiful setting. In this event the cars are not the main attraction but rather many desirable items Bernice and I brought back from the International Gift Show in New York. Some of the items are *Jaguar* related some are not, but it is all great stuff for you, a loved one or your home.

This is a fun event accompanied by a fine brunch in a wonderful environment at the **GENERAL WAYNE INN** Sunday October 29. I am also planning for a guest speaker to talk about the merits of Meguire's products. I promise you won't go home empty-handed as our speaker will be distributing lots of free samples.

Jaguarilyally,
Jack E. Sanft

P.S. Consignments are now being accepted. Please ship all items to my warehouse at 6401 Vine St., Phila., PA 19139. For further details please call me at (215) 472-2001
