THE PREZ SEZ

XK-8 That's what it will be called! Did you see it in the *Car 'N Driver*? They're calling it "Jaguar's Next Sexy Pistol." It comes equipped with V-8, 300 h.p., usable rear seats, wooden dashboard, traction control, anti-lock brakes, and twin air bags! It will be sad to see the V-12 "S" type go; however, it's been around for many years.

The Board of Directors Meeting was held at V.P. Joe Federico's home in Norristown on Sunday, January 14th. Joe not only offered the use of his home for this meeting, but also provided taxi service to a nearby parking lot for the attendants, as the blizzard had made it impossible to park near his house. Joe's dad did a terrific job with his lasagna, mozzarella balls and shrimp!! Joe and his dad were wonderful hosts. This is one of the best features in being a member of our Club -- the friendship extended at each of our gatherings. We've been using the covered dish idea for many of our activities, and it's been a great success. The quality of the food and treats has been incomparable.

The meeting took off with a discussion of all the Jaguar-related activities scheduled in the region. We chose the activities that we felt would serve in the best interest to the majority for the month. You can consult the Calendar of Events to find what is most interesting to you. I'll mention here that we will need a large showing of Jaguars and helpers at our June 2nd Concours at the Coatesville Trauma Center. Thankfully, the nearby Rte 30 has been made four lanes all the way back to 476 (Blue Route), so getting to the show from Philadelphia will be a breeze. More on this later.

In this issue is a pull-out re-enlistment form. It seems that a better system is needed, as many members have not returned their renewals. I realize it is early in the season, but our National Organization insists on the January 15th deadline so that voting rights at the early March Annual General Meeting can be determined. This year I will not attend that meeting in San Francisco. Jack & Bernice Sanft have volunteered to represent DVJC this year.

Another pull-out in this issue is an invitation to a Tech Session at Sanatoga, Pa, specifically Lindley Motors. Owner Lou Ottaviano and long-time club member, has offered his beautiful shop for this session Saturday, March 23. Please wear clean shoes, as his shop floors are so clean, one could eat off them!!! Lou recently repainted Club Secretary Atea McArel's XJ-6. She says it is beautiful and is now for sale (she is

moving to a condo and doesn't want to leave the car outside). If you would like to attend this Tech Session, please RSVP directly to Lou at (610) 326-8484. If you have a friend that isn't a member of our Club, but would like to attend the session, please invite him or her to show up in his/her Jaguar. I'd like to see Lou's parking lot full of Jaguars that day -- it should be fun.

Jerry and Carol Schwartz will be working on the April Brunch scheduled for the 21st at the 94th Aero Squadron Restaurant. This is always a fun event with atmosphere. The parking lot usually looks like a Jaguar Concours site. Put this one on your calendar.

DVJC Assistant Treasurer Sue Park has offered to host the Club following the New Hope Car Show August 12th, and past V.P. Steve Kress has offered the use of his pool on July 28th for the swim party, Directors Meeting, and nomination of 1997/98 officers which will be done at this time. Many thanks in advance for this generous offer by long-time club members! Of course, all club members are welcome to all club activities, so plan to attend! We use the covered dish system, so you can count on the food always being the best, and the cost of attending the event doesn't become an issue.

I spoke with Judy Ashworth about the September Franklin Mint Car Show and she informed me the show will take on a new look this year. They are looking at a two-day affair, including an auction, and no rain date. More to come on this show which is always done professionally and no admission charge to boot. Last year 42000 people were bussed in from two large "outpost" parking lots.

The Club is attempting to set up a bus trip to Atlantic City for the Car Show February 17th. Please RSVP Jack Sanft at (215) 472-2001. The bus will accommodate only about 40 passengers, so if you snooze, you lose! I always get tired while driving home, so the bus is a great advantage for me. I'm sure many of you feel the same way.

At the Directors Meeting we heard from Advertising Manager, Joe Repko regarding many of the ads in our *Purr* not having been paid for. As a result, you may notice the absence of some in this issue. Joe's address is in the inside cover, so please contact him to place your ad.

Best regards and happy motoring!

Kurt Rappold

P.S. Please be reminded that membership renewals are at about 50% at this time, so please send in your renewals as soon as possible.

 To prevent scratches in the transparent rear window of your convertible top, place soft cloths between the folds when you lower it so that the plastic surfaces do not touch each other. Thank you to Steve Kress.

 When removing the nuts that fasten the exhaust manifold to the lower pipe remember that the nuts may shrink due to the intense heating and cooling cycles that they are subjected to. Use a slightly smaller socket (i.e. 9/16ths nut may require a 14mm socket) to grip the nut more tightly.
