## THE PREZ SEZ

The Delaware Valley Jaguar Club lives! At the November 10th Brunch and General Nomination Meeting, we had good participation and attendance. By now you will have already received your ballots for voting and next year's bill for membership, and hopefully have returned both to the proper address. Many of our Club members were willing to run for office and help out with various duties. I appreciate having been renominated, as I had been contemplating retirement -- but the folks at the brunch were not willing to let me do that just yet! My friend, Joe Federico has also been nominated, so time will tell who will actually be your leader for the next two years.

There were enough Jaguars to fill the front of the General Wayne Inn's parking lot. We actually had two, top down XK120 Roadsters and the great restored "Ray" Maroon "E" Type, sandwiched between a flock of XJ6s. We passed around the Jaguar "Chicken Box" at the meeting, as we have for the past thirty years, only to get three bucks. This has been our standard operating procedure to get to know each other a little bit. If you don't show up in your Jaguar for a business meeting, it will cost you a buck! It's a nice way of introducing your mate or guest and telling what you are currently driving. When Pat and I passed Joe and Sue's house, we saw a Jaguar out front with the hood, excuse me, *bonnet* up, so I just figured Sue was just admiring her V12 before coming to the brunch. However, it seems a hungry squirrel enjoyed its pretty wires for breakfast! They had just driven the car the previous day, but with the weather turning cool, all the animals are seeking some warmth, and the insulation on the wiring was appealing to the rodent. Too bad Joe did not attend the last Tech Session, as that was the topic of that meeting.

I had the pleasure of meeting new members, Jack and Karen Bednarski, who joined our Club in June of this year. They drove in from Plymouth, PA, near Wilkes Barre in their new Jaguar. Jack

commented that he still had not received his *Jaguar Journal* at that time. This has been a pet peeve of mine for some time -- new members not receiving the *Journal*. Our *Purr* welcomed the Bednarskis as new members in our July issue. I don't think there is any excuse for new members not receiving their subscriptions as soon as they sign up so that they can keep up with the most current information.

We also welcome new member Bill Eberhart to our Club. He just happened by and saw our Jaguars outside the General Wayne Inn. Luckily, President Emeritus, Jack Sanft was outside and introduced himself to Bill and he joined on the spot! Great work, Jack, and we welcome Bill who lives nearby and also has a Jaguar collection.

For those of you who like to plan early, I recently was requested by our JCNA Northeast representative to make information available pertaining to the August 7 - 10 Jaguar Regional Meet on Stratton Mountain. Stratton Mountain is approximately 30 miles northeast of Brattleboro, Vermont. In August the weather is very nice and activities planned include a hill climb, a rally, slalom, concours, Jaguar line up and display in town, a Saturday night dinner dance, and a farewell breakfast on Sunday. If any of our membership would like to caravan to Vermont, this is a possibility. I have been looking for an excuse to visit Vermont again for many years. With all the various activities available, there should be something of interest for everyone. The cut-off date for registrations will be in July and only pre-registered members will be accepted. The local hotel has offered \$79 rooms if booked in advance. The folks at Holiday Inn made it very nice for the recent JCNA and Carolina Jaguar Club in Charleston. We even had a Hospitality Room available. I will let you know more about this event as soon as I receive the literature from Gary and Sue Hagopian.

Also, the 1997 AGM will be held out west again. It will be March 21 through 23 at the Alamo City of San Antonio.
