The Prez Sez:

The Directors Meeting was held as planned on January 11 at our home in Glen Mills. We had a remarkable turnout with all officers in attendance and we accomplished all goals. In addition we enjoyed chicken apricot prepared by Pat and a full compliment of salads, vegetables and desserts prepared and brought by all the other officers and their spouses. We agreed upon the proposed yearly calendar which is now being published in *The Purr*. We agreed to allow any XK120 Jaguar that shows up for the Concours a free entrance since this is the year of the 50th celebration for that car. We also later agreed to apply for the regional status for the XK 50 celebration. We felt that now that the regional classification is open and since we already have our sanction and a great location at the Brandywine Trauma Center, it would all work out very well. We always seem to have a wonderful day weatherwise on this date of the first full week in June. We have had this date for numerous years and this year will be DVJC's 33rd Concours D'Elegance. Our local Jaguar dealer has again agreed to provide two new Jaguars for display at the event. I stopped in at the dealership in January to request this and Dick Lull assured me that the sample cars would be available. Thanks in advance to Philpenn Car Company for this nice gesture.

This date is also the time when the hospital has their annual Strawberry Festival which is a family setting with all sorts of activities, plenty to eat, and the Chester County Car Club also has their car show on the next hill beside the fair. I was surprised to see in their last letter to me that they actually see 25,000 people there for the event. We always have adequate parking right next to our show area for unloading the cars from the transporters and plenty of room to have a Jaguar display car area there too!

Classified

For Sale: 1974 SER 1 XJ6 part, doors, trunk lid. No dents or rust and many miscellaneous parts. XJS bonnet. fair condition \$300. 1976 XJS engine and trans- complete \$1000. Call Steve (215) 335-4060 or (215) 953-5227. (JUNE)

Our Technical Session held at the Cloverleaf Auto Shop was interesting. Seventeen members showed up. Ralph was very generous with the coffee and treats and lunch. He put on a good tech session on drive trains, viz., the clutch, pressure plate and transmission area. Ralph explained the many components in a manual transmission and how they function together. Jim Shields identified the "mystery transmission" as from a Crosley car. Good work, Jim! Mike Tates' SS1 was a real knock-out even while it was propped up on jack stands. Nice car, Mike! We all hope that his SS1 makes it to the June Concours. I'd say the session was a success and hope this activity will get more popular each year.

Ralph also explained the upcoming rally to those interested in attending. As a club we scored well this year. Allan and Heather (daughter) Turtle won the national award by achieving a low score of only 5.77 minutes off the schedule of a 425-mile course lasting two days. They drove this event in their XK150 OTS which had been prepared by Cloverleaf Auto. We must also congratulate Jack and Marjorie Donahue for their victory in Class 10 with their Series 1 XJ6. Nice job!

Upcoming events are the annual Atlantic City Car Show at the new Convention Center, the Annual General Meeting in Denver and the brunch at the 94th Aero Squadron at the North Philadelphia Airport. We will elect new JCNA officers at the AGM this year which will be the first time they will be elected at an open AGM. All members are welcome to come to Denver. There are skiing and gambling side trips planned for those who wish to participate.

Our treasurer, Steve Kress, has informed me that we had a total of 130 member families renew their memberships to date. Those who did not renew by February 7 will not receive the Jaguar Journal and our famous *Jaguar's Purr*. Membership Retention officer, Julia Gould, will attempt to contact members who have been remiss in renewing memberships.

Happy Motoring!

Kurt
