## The Prez Sez:

The nice spring weather has finally arrived and if you haven't had time to do your yearly tune up, at least a new set of spark plugs is in order! We are happy that many of our new members have been attending the scheduled club events. Each month an event is scheduled, so take a look at our updated calendar to see what you can fit in. I would especially appreciate a large membership presence at the Concours on June 5 and we could use some help to set up the Club tent etc. On the subject of the tent, don't forget that it is available for members to rent for a fee of \$50 and I'll even set it up for you! Included in this month's *Purr* is the application for the concours. Please note the discount period is over May 15. This event will be held at the Brandywine Trauma Center. It's a great way to spend the day with your family. Children can earn health points at various booths and win free rides on the various attractions. Music will be provided by the *Grease Band*.

We have again been granted the use of the front lawn of the Brandywine Hospital/Trauma Center for the show. Just look for the big white barn with the green roof as you drive 6.5 miles west of the Route 100/Route 30 west bypass crossroads. The Brandywine Center is just behind the farm up on the hill. I'm really enthusiastic about our 1999 Concours, so just wax up the old *Jaguar* and show up! We allow members to display their *Jags* free of charge and encourage all members to show their *Jags*, old and new.

I spoke to many members at the Corinthian Yacht Club Annual Brunch and everyone expressed that they were pleased with the way the Club is being run. I hope this is so and you feel you are getting good value for the membership fee. If ever you feel your vision of what the club is all about is different than what you perceived it to be, I welcome your suggestions or comments.

New ideas are sometimes better. I recently spoke to a long-time member who suggested having an event in Jersey. I think that the parade in Millville being led by the Philadelphia Mummers was a pretty good idea, and just for good measure, we also went to dinner at the English Pub after the parade.

The brunch at the Corinthian Yacht Club was delightful, and the food was excellent. At the brunch, we had a landslide of enthusiasm when we discussed the engraved DVJC name plates. These are free with the membership fee. The engraving will be completed when we attend the Concours. I'll carry a dozen or so with me at all times, so if you need one, just let me know. I gave one to White Post Restorations while at the AGM as they collect all club tags. We observed the Drexel University sailing team out in the river engaged in a race just before our event. Our retraining of judges for 1999 went well. I passed out a flier that arrived just in time (thanks to Gary Hagopian and Judy Ferring) from your newly-elected Northeast director covering all the new changes. I'm looking forward to getting lots of good information on time from them. Those judges that did not make it will get a mailing from me so that we will be ready for the Concours.

*Happy Motoring!*  
Kurt

## Tip Top Tech Tips

Having trouble starting that hard-to-reach bolt? Place a little heavy grease in the appropriate socket, then insert the bolt. The grease will hold the bolt in the socket until you get it in line with the hole. *Courtesy of Delaware Valley Triumph.*
