DVJC IS CELEBRATING ITS 40th YEAR AS A JAGUAR CAR CLUB!!!

We want to thank Mike and Kit for a wonderful job done on the Purr in the past. They have handed the job over to us, Steve and Betty for a while, until someone volunteers. Maybe a new member or past member would like this job, to experience the fun in communicating with others, collecting items of interest for our readers.

August's edition will be short and to the point while under construction. We are sorry for this, but hope September's edition will be a good one.

Thank you for your understanding, Steve and Betty.

2005 SLALOM

Our 2nd Annual Slalom turned out quite well with 16 Jaguars entered being driven by 19 different drivers. Everyone arrived at 8am and chipped in on the set up work. The Co-organizers Charlie Olson and Gerry Kunkle and I met Thursday night after work to measure the course and plot the position of each pylon according to the standard J.C.N.A. plan and to check out our timers and eye light system. After tech we began with Clara Saxton and Hal Jean keeping track of our run scores. Trophies were awarded the three fastest times at the Concordville Inn during a nice lunch. The weather was with us and not nearly as hot as it was earlier in the week. We also had a fair number of DVJC spectators who I hope will come join us in next year's slalom. Look for a more complete write up of this activity within this issue.

Happy Motoring and Keep Cool
Kurt Rappold

Jaguar Club of Pittsburgh 2005 Concours D'Elegance Results

At the Jaguar Club of Pittsburgh's July 23, 2005 Concours D'Elegance held at Linden Hall, Dawson, Pa. some 38 miles south of Pittsburgh, the three Delaware Valley Club members entered, each placed first in their respective championship divisions. Vito Gatto took first place with his maroon 1938 SS100 2-seater sports in C01A, Bryan Edwards took first place with a score of 100.00 with his signal red 1974 Series III E-type roadster in C97 and Wayne Tubbs took first place with a score of 99.95 with his black 1972 Series I XJ6 in C10.

Approximately 32 Jaguars of various years were in the Championship, Driven and Special divisions and were placed on the tree shaded sloping lawn between the Linden Hall Conference Center and the golf course. The hot humid weather of Friday, July 22, broke over night with the day of the conference center. The Pittsburgh Club organizers of the Concours showed exceptional friendliness to the DVJC members with genuine thanks for attending and gave them a Jaguar gift of flashlight. It is approximately 300 mile drive to the Pittsburgh Club's Concours.

The Concours location with its distance from the southern suburbs of Pittsburgh unfortunately does not bring many spectators, but that is offset by the quality of the cars shown, the friendliness of the organizers and the elegance of the Linden Hall Estate.

The 35-room mansion called Linden Hall was commissioned in 1911 by Sarah Cochran, widow of Phillip Cochran, a wealthy Pittsburgh coal baron, and was completed in 1913 at a cost of approximately two million dollars. After Sarah's death in 1936 it was occupied by a number of organizations and private owners and the mansion itself fell into disrepair before being bought by the United Steelworkers of America in 1976. The Steelworkers Union purchased the 785 acre estate and the mansion for approximately one million dollars with the idea of tearing down the house and building a modern labor education, training and conference center. Luckily the house was spared and is now listed on the National Register of Historic Sites and has been feature on the A & E television channel's series, "American Castles". The estimated five million dollar value of the Tiffany windows in the mansion make the million dollars paid by the Steelworkers Union in 1976 seem like a real bargain.
