PREZ SEZ January 2006

Welcome to 06! Your Directors group and I wish you a safe, healthy and happy New Year!

There are several members of our DVJC club who own 1936 SS 100's .These cars are all running classics at 70 years old.

The Jaguar company is still alive and making cars that are better than ever. Hopefully the closing of "Brown's Lane" will give the bean counters the desired financial advantage they were looking for with the closure. As you may remember, our official club activity that month was a trip to the Rolls Royce and Jaguar factories, during our visit as a club to England. The Jaguar factory was much larger, producing both XJ8 and XK8's in much higher volume. We were told all the Rolls Royce cars were sold before they were even built. They announced the Jaguar plant closing the day after our tour.

Other news is that Sir Malcolm Oliver has elected to retire from Jaguar. He was our official liaison for the clubs and Jaguar/Ford Inc. We wish him a happy retirement. He worked in the Browns Lane factory and worked his way up to his last position.

The new Jaguar/Rover dealer of West Chester actually was thoughtful enough to send holiday wishes to our club, which is a first in my 14- year tenure as your President. They offered an open invitation to tour their immaculate facility and also offered the facility for a technical/meeting place in the future. Any DVJC member who visits their facility should mention you are a member of this club and ask for their facility tour.

Included in this issue is a form for trophy winners to fill out and send in a.s.a.p. Kit sent out this form to all JCNA editors in July 05 so that all winners could simply fill out the form and mail it back to me. So far about ½ of the over 300 winners have done so. This year's AGM (Annual General Meeting) will be another west coast affair, in Seattle. People wanting to have their trophy presented need to send in their trophy form so I can mail out their trophy, that way they can bring the trophy in their own luggage.

Also included is our Annual Membership Application Form. It is important to get this sent back to Treasurer Chris Jordan so that your membership continuity is not interrupted. Another reason is that if you do not follow up on your membership, it takes our volunteer treasurer a lot of paperwork to reinstate you and you will miss your spring issue of the Jaguar Journal. Last year we got up to 234 families as members. I understand, some members join to fulfill insurance company requirements. Whatever your reason, please take care of this matter.

Our Editor's job is still open. Many thanks to Steve and Betty Kress for carrying the ball and to Charlie Olson and Clara Saxton for typing and mailing out hard copies. To those who have contributed articles, we appreciate it and urge you to keep the articles "rolling in."

Our annual January Directors' meeting is scheduled for January 29th. Joe Federico has offered his house in Norristown as our meeting place. This is the meeting where we plan the coming year's activities. If you have an idea for a club activity and you cannot attend, please contact me or any other Club Director so the activity can be considered for an official club event. We try to hold a monthly activity. The JCNA sanctions were already submitted by Kit in November, but they did not appear in the Jaguar Journal issue for December.

I would also like some help for the Great Race, which will begin in Philadelphia this time in mid-June. Although I doubt if any of our club members will make the 14-day cross country rally to California, we could show up for the "shine time" at the start. In 1994 Dave Milling got a team together with Ralph Steinberg to rally his 1936 gray SS100—those were great times!

Happy Motoring!
Your president,

Kurt Rappold

J.C.N.A. AWARDS

MEMO FROM E. KURT RAPPOLD

Congratulations for participating in the North American Jaguar Competition this year. According to the posted final results, you and your Jaguar are eligible for a fine trophy.

In order to receive the trophy, you need to print out this form and, once it is complete, mail the form to me.

I plan to mail out all trophies to the recipients in plenty of time to enable you to pack the trophy in your luggage and bring it with you to the AGM if you wish to have it presented to you at that time. Therefore the sooner you return this form the better.

Thank you very much for your prompt attention to this matter.

Please plan to present my trophy at the AGM. Yes ____ No ____ _____

Dear Advertising Manager

The Delaware Valley Jaguar Club is again soliciting advertisers for the award winning club newsletter "The Purr". I am including the November issue for your perusal.

The club continues to grow and presently has over 200 members who own over 330 classic and new Jaguar automobiles.

As an advertiser you will be receiving the Purr and be informed of the club's activities, news about Jaguars and technical information. The Purr is available to all of our club members either on the Jaguar Clubs of North America website or by mail.

Advertising prices remain unchanged. For the full year a full page is \$300, a half page \$165, a quarter page \$85 and a business card ad \$50.

Should you decided to advertise with us please make your check payable to the Delaware Valley Jaguar Club and mail it to me at the above address.

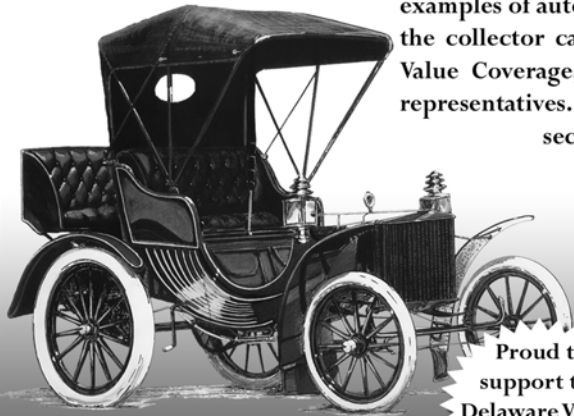

Upon receipt of your check I will have Steve or Betty Kress, the Purr Editors, contact you as to how the advertising may be submitted. If you were a previous advertiser the procedures for submitting your advertising remains unchanged. It should be submitted as an attachment to a word file to bkress@framefit.com.

Thank you for your support.

Gerry Kunkle
