June 2006*

We had a very productive Directors' Meeting at Steve and Betty Kress's home in Holland, PA. All of the officers attended along with Activities Director Tom Jones and of course Pat and Betty.

We were treated to hoagies and those attending brought covered dishes, so we had plenty of good food to keep us from starving. The minutes were recorded by Secretary Ann Perry and will be printed for all to read when space allows in the Purr.

All members are invited to attend our next upcoming event at Mt. Holly. This is the annual Concours De Elegance, which has been going on for over forty years. You can help out even if you don't care to show your car. Do you know we have a (display) class that costs nothing to display? You could come, display and help out at the main tent we have. There are lots of small jobs to do and if you are thinking "I only have 4 hours Saturday, June 3<sup>rd</sup>", what better way than to help out your car club. I have enlisted my grandchildren for years to help out and they always have a good time.

Charlie Olson, V.P., has worked with Chief Judge Steve Kress and all the plans for the car show are under way. We held the required Judge Recertification Program and all recertified judges have their new JCNA official judge's books. If you were previously certified as a JCNA judge and could not make it to this session, I suggest you give Charlie Olson a call if you want to help us out. You must be certified, as this is a requirement. We even had a four-page test to go along with our coffee and doughnuts at recertification.

Be sure to get involved and sign up for some part of the show. It is a great event, a great site (300 acres) non-commercial wilderness, great food, (all workers get a meal ticket) prepared by the local tribal officers, hopefully great weather. It is a great event and everyone has a good time. Come see all the beautiful Jaguars from the first, a 1936 SS-100 to a 2006 XK. After the show, Tom Murray and Chris Jordan are having a barbeque hosting those arriving from Virginia and Washington on JONAT.

In last month's edition of the Purr, I explained how we invited our two sister Jaguar clubs to join us at Millville for the Spring "Thunderbolt" rally in New Jersey. Even though it was set up for them to join us at dinner and even run the Sunday T.S.D. event, nobody showed up to join the fun. We did have two new DVJC club members who are interested in the rally join us for Saturday night, Sunday Breakfast and run the short four-hour rally Sunday morning. They came all the way from Lancaster County to observe the activity. Hopefully this fall they will show up for the Pumpkin Run in Millsboro, DE.

We have never experienced any of our rally teams since I've been around to receive an "ace." An "ace" is a score for a leg of the rally of 00.00.00; this is minutes, seconds and hundredths of seconds. This year three DVJC teams received the Ace award during the 21 legs over 3 days of rallying. They are Steve and Betty Kress in their '72 E Type, Tom and Nancy Jones in their '86 XJ6 Saloon and Kurt Rappold/Bob Brown in the '94 XJ6 Saloon. It took me 14 years to finally get an Ace Award!

We had the best weather possible. All the 8 Jaguars just kept running and I'm not aware of one breakdown except for Steve suffering a blown hose on his V12, which was quickly fixed before dinner Friday night. I was proud that 8 of the 28 cars running were Jaguars and we won both DVJC trophies and Great Race trophies with all the Ace awards and great low scores. I'm pretty sure we stand a chance of winning national JCNA awards, too. We still have another chance in October to get even better scores at the Pumpkin Run in Millsboro, DE on October 27, 28 and 29.

I especially enjoyed the lush pale green forests we drove through in southern New Jersey during the rally. It was very photographic and we attempted this while rallying. Another experience was our lunch break Saturday at the Coast Guard Aircraft Museum in a giant hangar near Cape May. We have a bottom line report also; our 28 rally teams came up with \$4,500 dollars to donate to the Thunderbolt Club. This club was named for the type of aircraft that was being utilized for training pilots in WWII at this site. The kids who benefit from the beautiful club are from southern New Jersey. Last year we were told there were twenty scholarships given through this organization, a very worthwhile task.

It has been requested that we do our own Jaguar judging at the New Hope Auto Show on August 13<sup>th</sup>. Please volunteer to assist in judging this show. We always get new members for our club at this show, so let's wear club attire. Refer to the back page of your Jaguar Purr for our attire that is available at reasonable cost.

See you at the concours!

Happy Motoring

## *Trip To The Old Country*

I have just returned from a three-week trip to England. Here is what I saw, heard, read and did while I was there

- 1) The sun was out the total time. Never saw one drop of rain. The countryside was beautiful with millions of daffodils. The fields were lush green and occupied by trees in blossom and all the spring lambs.
- 2) The first thing I saw when I got out of the airport into the parking lot was the new Jaguar XK. It's a beauty and it was love at first sight. It certainly has the 'wow' factor, my brother-in-law walked straight towards it, "Never" I thought, and I was right.
- 3) I visited the local Jaguar Dealer. He had sold 50 XK's and delivery on the Roadster was 10 months and on the Coupe 18 months. Total production this year for the new XK is 12,000 of which 8,000 will come to the USA they told me.
- 4) It is strange to see, in England, Jaguars without the famous "Leaper" on the hood (bonnet). They do not look as menacing and sometimes hard to recognize. Amazing that we in the USA can have the Leaper but in the UK it is banned as dangerous. It's normally the other way round!
- 5) There are lots of "Smart Cars" on the road (Very, very small)
- 6) While I was there gas hit £1.1 per liter. That translates into somewhere around \$7.30 a gallon.
- 7) "Bring back hanging" screamed the headline in one newspaper. The Brits get very emotional about this subject but this time the villains had gone too far. This plea was in connection with the suggested punishment metered out to the vandals who ruined the collection of classic Jaguars belonging to James Hull. 31 of 80 cars were destroyed. This included the first XK 150S ever made, a Coombs MK 2, an unregistered XJS convertible and an E-type. Traces of blood have been discovered in the wrecked cars, which police are hoping to use as forensic evidence in the search for the criminals.
- 8) The Labor Deputy Prime Minister in Tony Blair's government, John Prescott, who is affectionately known as "Two Jag Prescott" because of his love for the car, was disgraced when it was made known that he had been having an affair with his Secretary, Tracey Temple. Prescott, who is 67, has been married for 44 years to Pauline. The British gutter press had a field day with headlines like "Two Shag Prescott".

- 9) Unlike the USA, sales of the aluminum bodied XJ8 sedan have picked up. It is believed this is a knock on effect of the release of the new XK and also because of the highly rated diesel engine now available. The combination of the lightweight body and diesel fuel give much lower cost motoring.
- 10) My brother the correspondent in the UK PGT with whom I spent a few days came up with the following song about Condoleezza Rice which, I thought, showed great ingenuity. To the tune of Nat King Cole's immortal classic "Mona Lisa".... "Condoleezza, Condoleezza men have named you, as the most powerful woman in the world...is it only that your not homely Condoleezza that you have that Condoleezza guile". Ok Ok Ok I just had to share that with you!!! Don't forget Condoleezza was once photographed sitting on the hood of her Uncles MK V11 when she was a little girl. She is one of us.
- 11) It had to happen. It was announced that the Browns Lane factory, Jaguars spiritual home, will finally close down. It has been sold to developers. Just think houses will be built on the ground where once XK's, E-types etc moved down the assembly line. I wonder, if one purchased a home there, would you dream more often of those golden days.
- 12) Another announcement in the press said "The Queen of England confines most of her driving to the royal estates, but maintains a lively interest in automotive technological advances. Recently she had satellite navigation systems installed in her stable of vehicles, which includes three Rolls Royces, two Bentleys and three Daimlers. (One is Jaguar bodied with a Daimler radiator called a Vanden Plas here.)" The question now is "when did one of the Queen's drivers ever get lost?"
- 13) Coventry's recently refurbished transport museum opened a new exhibition called Jaguar by Design which pays homage to the skills of Jaguars engineers. There is a glittering array of models including several concept cars, one being the original 1988 XJ220 which is the only one with a V12 engine. Also there is the 2003 R-D6 coupe and the Advanced Lightweight Coupe which was the basis for the new XK. The very last car to be built at Brown's Lane, an XJ Super V8 Portfolio is also on display. Admission to the museum is free and the museum is open daily 10.00am to 5.00pm.

A pretty full and informative three weeks fortified by good ale and pork pies.

### Did You Know

That Coventry saw the birth of 91 car companies, 13 of which became well known including Lotus and Riley.

The first car to use disk brakes was the Jaguar XK 150 in 1959 but Douglas Motor Cycles raced using disk brakes in 1922.

That in 1906, a woman named Dorothy Levitt was the first person to pioneer the use of a rear view mirror.

That the middle name of the founder of General Motors was CRAPO..

That the first motorway or Interstate was opened in 1924. It ran between Milan and Varese.

That Alvis was the first with front wheel drive AND all round independent suspension.

That screen washers were first fitted by Standard and Triumph in 1935.

That Rolls Royce used a 3 cylinder engine in 1905.

I'm JD King, race chairman for SCCA's Tri-Region race group. We are putting on a track day weekend on June 16<sup>th</sup> & 17<sup>th</sup> and would like to invite your group to use the event as a chance to do some performance driving on SCCA's National racecourse. There will be an instructor for every amateur and plenty of track time, with a dinner Friday night. I've included a link to both the supps (event outline) and the entry:

<http://www.triregionracing.org/06pdxsupps.pdf>

<http://www.triregionracing.org/06pdxregistration.pdf>

As I said, feel free to use this as a meet for your club too; entry into the track is free, with plenty of open field grass parking. We can discuss details if this interests you. You only need to pay if you actually drive the track event. We are also working on a lunchtime ride around behind a safety car, at a brisk pace. This will be open to anyone interested in tasting the track surface even if they are not entered in the PDX.

I'd appreciate it if you'd mention this to your members. Thank You for helping us make this event successful.

Regards, JD

*"The toughest rally you'll ever love"*

SCCA of Northern NJ in associated with Raritan Valley Sports Car Club, Motorsport Club of North Jersey proudly presents the New Jersey Mini-Monte.

This 80 mile Map rally will cover scenic roads in Somerset, Hunterdon and Morris counties. This event is a simple Time-Speed-Distance map rally, all you have to do is follow the route shown on the map at or below posted speed limits. All checkpoints will be shown on the map and all route instructions will include route mileages.

How much easier can it be ...we give you a map of the route, with restart points in case you want to short cut the route. The event will include 12 manned and unmanned (Do-it-yourself) checkpoints and should take about 3 hours to complete."

**We invite YOU to join us at the Mini Monte**

### Ever Been on a Road Rally?

If you thrive on scenic drives on the back roads of New Jersey, NNJR-SCCA Road Rallying is for you. Road rallies test the skills of a driver-navigator team in following simple precise instructions along an intricate and interesting course at legal speeds on little-used public roads, staying carefully on time as you negotiate a series of unpredictable checkpoints.

Please plan on staying after the rally for good food, good stories and informal awards. Participants may pre-register by filling out the form below and mailing to the address shown. You may register at the event, however a maximum of 10 'walk-in entries will be accepted, so please pre-register to ensure a starting position.

New Hope-Solebury Community Association  
Wishes To Announce  
2006 New Hope Automobile Show  
Save The Date  
Second Weekend in August, 2006

Dear Valued Supporter:

The New Hope-Solebury Community Association is pleased to inform you that the treasured New Hope Automobile Show IS BACK. Please save the date, August 12 & 13, 2006, on the grounds of the New Hope-Solebury High School. The first NHAS show was held in 1957 attracting the finest display of antique automobiles. The desire has always been for family fun and entertainment. The mission has always been to provide student academic higher learning scholarships and support of community programs.

Post cards will be mailed to prior registrants whose antique automobiles meet the standards of one of the oldest auto shows in the United States. You will be contacted by future mailings and/or in person. Your participation and continued support is what made this show a success for 45 consecutive years. With your help we can again enjoy a professionally managed auto show that is sure to attract new ideas with a fresh approach. We invite you to call us at 215- 862-5665 to hear about the plans.

We look forward to seeing you in August, 2006. Come on out. You will not be disappointed!

Sincerely yours,

NHSCA Board  
NHAS Co-Directors for 2006
