The Prez Sez January 2008

Happy New Year to all our members and friends! As I start serving you in my second term as President, I hope to have your support to make the events that we are planning a success.

At the Holiday Party I circulated envelopes to those present recording the events in which we had participated in 2007. I requested they record events that they would like to see us schedule this year and return the self addressed envelopes to me. Since only a third of our membership attended, I'm including that opportunity to the rest of you to respond as well! A copy of the contents is listed on a separate page for your consideration. Simply e-mail me, snail mail me, or call me with your suggestions.

Diversification of interests is essential in keeping our present members and motivating others to join. Please help us with your ideas so we may schedule events to accomplish that goal!

Speaking of membership, if you haven't already done so, *please* send in your renewal form! The form is included in this Purr. If for some reason you can't locate a form, just send Ann Perry your check, in the amount of 50.00, she'll take care of the rest. You are really helping our membership Chairman and Treasurer with your consideration!

Also, don't forget, if you have a nephew, niece, cousin or other person under 25 years of age *not* living in your household, you can provide them with a "Youth Enthusiast" membership for only 15 dollars each! I signed up my grandson as a potential navigator for the Rally events. He said, "I want to do more than polish!"

Our Officer's meeting will take place on Saturday, January 19th at 8:30 AM at Mainline Jaguar! We will be planning a Schedule of Events for 2008. We've already scheduled our Sanctioned Events for this year, as you'll find under the listing, DVJC events. We're hoping you can help us plan your interests in scheduling an exciting calendar, listing "Other Events"!

For me, as your Concours Chairman, I'm excited by doing something the DVJC has never done! That's integrating our Concours with another group of British cars, sponsored by the Delaware Valley Triumph Club. The purpose was to introduce the finest examples of Jaguars and other British Marque to broaden public interest while still maintaining the integrity of the JCNA rules and regulations of a Concours d'Elegance. The Hope Lodge also provides historical interest to the entrants, providing that diversity I spoke about earlier. A Press Release is included in this issue to generate your early interest!

Ken Beck Owner

I'm looking forward to very exciting year as your President, with diversified events for your participation. BUT- I'm going to need your help in making that possible. I'm hoping when I ask, you'll respond!

Be Courteous, Drive Safely, and Have Fun,

At your service,

President

January 2008

TIME TO REFLECT AND LOOK FORWARD

The 25th of December, Christmas Day, gave us clear blue skies, a moderate temperature, and dry roads. It was a day which said, "Pull back the covers, start the 1967 Jaguar 420, and go for a burst in the country lanes before the car headed into 2008 and its 41st birthday." Three short jolts on the starter and she burst into life. I waited for the oil pressure to rise past 40 and the water temperature to show warmth before I reached down and slipped her into reverse and soon we were on our way. I did not feel any nostalgia that recently I had parted with my 1962 MK 2 3.8 Sedan and the 1992 V12 XJS, but reflected on the pleasure these two Jaguars had provided during the 15 and 12 years I had owned them and now I had the 420 to enjoy. This is a great car although not well known in Jaguar circles. It is in fact the last iteration of the MK 2 series and as such is very much in the shadow of its younger brother. With independent rear suspension, floor change, air conditioning and large seats, it certainly gave a far superior ride than my automatic MK 2. As my eldest son said when he drove it, "You would not mind driving this the 600 miles to me in Michigan." He is right!

So 2008 is going to be a major year for Jaguar. As we know Ford has it up for sale. As yet there has been no announcement stating who the new owner will be, but all the pointers appear to indicate that Indian Conglomerate, Tata, will win the day. This is especially reinforced with the positive response from Unite, the union representing the workers. Whoever it is will signal a major change for the company even though Ford will have to stay involved for some time to come. The production of the first new XF was com-

pleted at the Castle Bromwich plant on Monday the 26th November. The car was handed over to the Jaguar Daimler Heritage Trust. Production will now be ramped up for first deliveries in March. Early orders stand at 5000. Prices in the USA will start at \$49,975 for the naturally-aspirated V8 luxury model, rising to \$55,975 for the Premium Luxury version, and \$62,975 for the supercharged 420bhp SV8.

The years that end in "8" always appear to herald success for Jaguar. In 1928 Henly's Ltd of London, major car distributors, ordered 500 Austin Swallow Saloons so the Swallow Sidecar and Coach-building Company moved to an old ammunition factory located on Holbrook Lane in Foleshill, Coventry. Coventry became its traditional home. In 1938 the Jaguar mascot "The Leaper" is designed by artist Frederick Gordon Crosby. It has been a constant on the hoods of US Jaguars ever since, however it was eliminated in Britain last year being deemed a danger in an accident. It will be replaced by the oval Growler on all production in 2008 located on the XF, XK and XJ radiator grill. The XF has the outline of the Leaper on the rear trunk lid.

In 1948 William Lyons selected two North American distributors to represent Jaguar. The East Coast distributor was Max Hoffman in New York City. Located on Park Avenue they also distributed Volkswagen, Porsche, Javelin-Jupiter, Simca, Aston Martin, and Lagonda. The West Coast distributor was Charles H. Hornburg Jr in Los Angeles. In 1968 British Leyland Motor Corporation, of which Jaguar was then a part, became operational. In January of the same year Sir William Lyons, the founder of the company,

(Continued on page 10)

Roving Reporter (cont.)

(Continued from page 9)

relinquished his title as Managing Director.

In 1978 British Leyland car operations is split into three companies one being Jaguar-Rover-Triumph Inc. In 1988 Jaguar moves to its new Engineering Center at Whitley, Coventry. This is six miles from the Browns Lane assembly plant. In 1998 The Jaguar Daimler Heritage Trust Museum opens at Browns Lane.

Also major product developments were introduced in the "8" years. The most important of these was the introduction of the outstanding XK engine in 1948 which featured with major success in a variety of production Jaguars and a succession of race cars. Also in 1948 came the introduction of the XK 120 3.4 OTS now hailed as an icon of sports car design. 2008 will be the 60th anniversary of these illustrious Jaguar products.

Then in 1958 came the first E-Type prototype known as the E1A which was powered by the 2.4 liter XK engine. In 1968 Jaguar stunned the world with the introduction of the Series 1 XJ6 and in 1988 they introduced the Super car...the XJ220. This was followed in 1998 by the release of that amazing Concept Car the XK180. Also in 1998 came the introduction of the S-Type which will be phased out in 2008 and replaced by the exciting XF on which so much of Jaguar's future depends.

So we head into a new "8" with our expectations for our favorite brand at a high. All the winners introduced in the "8" years say it is going to be a signature year. All the signs from the past tell us this. So that you have the latest scoop on what is happening I, in my assignment as Roving Reporter, will be traveling to Detroit to attend the 2008 International Car Show in January. On the Jaguar stand I will see the latest offerings and will ask the \$50 question. No not "who are the new owners?" but "what is to stop Jaguar returning to its rightful place as THE premier car designer?" The answer should be "nothing" Happy and Healthy New Year to you all!
