## DVJC Roving Reporter Visits Jaguar at 2008 North American International Auto Show

*“On a rotating circle was the new XF with all its doors tightly closed to keep possible buyers at bay. It was disappointing as all their key competitors had their offerings open to the public.”*

## The Prez Sez February 2008

This is the start of my second year in office and at the Holiday Party I circulated summary of the events we had participated in during 2007 as part of a handout for you to request an activity of your choice! I spoke of the need for diversity of the activities and events in 2008. At this point in time I have only received four out of the group that I had handed out at the Party. However, if you still have the brochure, you can mail it to me when you think of an event you wish to see us schedule! All agreed April would be more appropriate for the Annual Spring Awards Brunch.

Speaking of events, the **Philadelphia Auto Show** from February 2<sup>nd</sup> thru the 10<sup>th</sup> should feature the **2009 Jaguar XF** that several dealerships already have on display. In addition, there's always a section at the Show for Antique and Classic automobiles and I urge you to support the **Buckingham Car Show** exhibit by **Al Pinkus** which is part of that group. Then, at the end of the month, starting February 28<sup>th</sup>, the **Atlantic City Auction & Car Corral** is an event featuring a broad range of interest. Members should plan to attend independently.

We're currently looking for an activity in March before the **AGM** (Annual General Meeting). One of the items for discussion should be sanctioning of various Rally types other than the TSD (time speed distance). Currently our club participates in the only Sanctioned Rallies in conjunction with the Northeast Rally Club. It's patterned after the Great Race TSD type. It encompasses an entire weekend involving three separate Rally's, one for each day. I'm having Tom Jones look into the logistics and costs applying for just **one** of those three days! In addition, there are other rallies that are sponsored by AAA as benefits that are one day events. Rallies like this are fun events and I'll be checking them out with my new navigator & grandson, Grant Olson, a Youth Enthusiast Member. A great opportunity for other members to share in a driving experience with a son, daughter, relative, or friend! So if you get lost and get back after dark, just think of it as a fun experience.

The **Annual General Meeting, March 28<sup>th</sup> & 29<sup>th</sup>**, held in Pittsburgh this year will allow our members to attend as guests. It's a 350 mile trip and the city is celebrating its 250<sup>th</sup> Anniversary and promises lots of things to do. I'm enclosing an Application in the Purr for you to apply as a Guest. The cost depends on the selections of your choice. My experience would suggest you register at the host hotel now, for a group rate, for you can always cancel at the last moment, but not vice versa. Arrive no later than Friday noon, and check in at the hotel and AGM reception desk. Receive the tags that will allow you to attend the events for which you've signed up. I strongly recommend sign up for the meals and events, especially the River Boat Cruise on Friday night and of course attend the Awards Banquet on Saturday night! The seminars are always interesting to attend. The topics are listed in the AGM Bulletin in this issue.

Kurt and I as your representatives will be involved most of Saturday at the meeting to vote on certain issues. As Guests, you are invited to attend seated in chairs along the wall. You won't have a say on any issue, but after hearing enough discussion, the advantage of leaving the room at anytime! It's kind of interesting, like the U.N. on a much subordinate scale! Very legalistic! I'll have more on this next month. Look

## The Prez Sez . . . February 2008 (continued)

over the Bulletin and application in this issue and please consider going. I suggest carpooling and driving your everyday car.

One of the major events of any Jaguar Club is the Concours d'Elegance. As you have no doubt seen from the Press Notice in the January Purr, it's called Cars of England and we're holding the event in conjunction with the Delaware Valley Triumph Club on the Historic grounds of Hope Lodge located just South of the Fort Washington Interchange of the Pa. Turnpike, on Old Bethlehem Pike.

Be advised this is a **separately judged Jaguar event**, using the JCNA judging sheets as in any Sanctioned JCNA event. Separate entry forms for all JCNA/DVJC members will be available in the March Purr and on the JCNA Website. **New type JCNA Trophy's** will be awarded to the 1<sup>st</sup>, 2<sup>nd</sup> & 3<sup>rd</sup> place winners.

I'm going to conduct **Judging Training Sessions** for new members wishing to become **Apprentice Judges** and current judges that wish to attend. The schedule will appear in the March Purr for sessions in April and early May. I have two new members that already have expressed interest in becoming judges. In addition, to prepare the grounds for the Concours, I'll need day time volunteers to help set up tents, mark off car spacing and complete other chores as needed before we meet.

Look for the **"Other Events Section"** in the Purr and plan your participation to attend those of your interest. We're looking for your input to make this year of events more appealing to a broader segment of our members.

Be Courteous, Drive Safely, and Have Fun,

# 50<sup>th</sup> AGM Fast Approaching ... Sign Up Now to Attend!

It won't be long before the JCNA contingent of delegates and guests arrives at the Sheraton Station Square on the shores of the Monongahela River in Pittsburgh for the 50<sup>th</sup> AGM weekend.

If you're planning to attend, please arrive early on Friday, March 28 to take advantage of the 3:30 p.m. concurrent seminars of either "Originality Guide: Air Conditioning" hosted by Welsh Enterprises or an "Interview with Norman Dewis," famous Jaguar test driver, hosted by The Jaguar Club of Pittsburgh.

The "All Hands on Deck" call will mark the 6:30 p.m. boarding of the dinner and sightseeing cruise on the Keystone Belle hosted by Bobby Rahal Automotive Group. Our boat boards from the docks at Station Square, and our nautical adventure will take us on the city's three rivers, the Allegheny, the Monongahela and the Ohio. Norman Dewis will be on board for casual conversation, and the Belle's Captain has promised a gourmet dinner buffet during this private charter cruise.

The Captain's Dinner Buffet should please most any hungry land-lubber. It will feature mixed salad greens with Italian vinaigrette dressing, fresh fruit bowl, marinated mushrooms, hand-carved roast strip loin of beef, apricot glazed chicken breast, penne regatte pasta with tomato basil sauce, seasoned rice pilaf, glazed baby carrots with honey, brown sugar and pecans and an assortment of cakes.

Once we're back on dry land, you might want to stop for a nightcap at any of the 20 nearby bars and night spots, including the Hard Rock Café, the Funny Bone Comedy Club, Joe's Crab Shack or Saddle Ridge, a popular "rock-n-country" saloon complete with a mechanical bull.

Delegates will have an early wake-up call on Saturday, March 29, with the AGM call to order at 7:45 a.m. A traditional breakfast will be served from 6:30 to 7:30 a.m. consisting of farm-fresh scrambled eggs with breakfast potatoes and crisp bacon, sausage links or ham. Also included are orange juice, breakfast pastries, and coffee, decaf coffee and assorted teas.

Everyone will be hungry after a morning filled with JCNA decision-making. Lunch will be served in the Reflections Room overlooking the Monongahela River and the Pittsburgh business district. The first course will be soup du jour followed by a choice of either chicken primavera (chicken and penne pasta tossed in a creamy alfredo sauce garnished with julienne vegetables and broccoli florets) or bistro salad (marinated asparagus, roasted red peppers and artichokes and sliced flank steak and grilled chicken on a bed of greens). Dessert will be white chocolate raspberry mousse tart.

Once the JCNA business is completed for another year, our guests will have the opportunity to sit in on a seminar hosted by Jaguar Cars on the new XF or a seminar hosted by Hagerty Insurance. The cocktail hour with cash bar will run from 6:30 to 7:30 p.m. During the social hour, please take this opportunity to review the selection of silent auction items on display in the Waterfront Room adjacent to the Reflections Room. The city will be dramatically transformed as the downtown lights up for the evening.

The awards banquet and program will commence at 7:30 p.m. with tomato basil soup, followed by a choice of either salmon fillet, sesame-dusted and pan-seared with honey teriyaki sauce, or Black Angus filet mignon marinated and topped with tomato horseradish butter. Your banquet choice will be topped off, if you still have room, with cheesecake for dessert. (Keep in mind that the Sheraton has an indoor pool and a fitness center where you can work off that slice of cheesecake, so enjoy!)

Register now to be a part of this milestone event. See you in Pittsburgh!

February 2008

Good wishes for a happy, healthy and prosperous year. If you have not done so it will soon be time to start those engines. I would like to start the year by thanking Michelle Meehan for all the amazingly good work she did as Editor of the Purr in her first year. Outstanding Michelle!

To start the year we travelled to Michigan on Thursday January 16<sup>th</sup>. Before landing at Detroit Metro we could see the white uninviting landscape below. We lived in Michigan for eleven years and the view brought back memories of those long, tough, freezing winters. Our visit to the 2008 North American International Auto Show was postponed until Monday January 21<sup>st</sup> as it was reckoned that would be quieter than the weekend. Wrong!! It was Martin Luther King day and the crowds were huge. Perhaps they had come to watch an unusual vehicle launch featuring the Dodge 2009 Ram Pick-up. To make an impact, cowboys on horseback drove 120 Longhorn Cattle down Washington Boulevard to the show. It was quite unusual as the cattle, despite the cold, got fairly frisky and spent some of the time trying to climb on each others backs. I explained to my Grandson that they were trying to keep warm.

If you have been to the Cobo Center, where the show is held, you will know it is vast with stands on two floors. However it is stated that Cobo will have to be extended to fill future requirement. The alternative is a completely new complex. I can't imagine it being any bigger as I found the present show completely overwhelming. The number of manufacturers, the number of vehicles shown, the number of stands can be intimidating. The overall impression is the hugely competitive nature of the car industry. To com-

pete is hard, to break in is tough, to survive must be a management nightmare.

BMW, Mercedes and VW had huge stands with a variety of cars. Mercedes caught the eye with their smaller sports cars. To my eye ( I only have one that works) the slant radiator with the Mercedes logo in the center is really attractive. Rolls Royce had a sedan and a OTS and for \$470,000 you could have one. Then there is Bentley. The Continental Coup, out of all the offerings is the one for me and I could get one for only \$170,000. This means I could get two Bentleys and have \$100,000 change compared to the Rolls Royce.

The Bentley Continental GT.

General Motors had an enormous stand. It was interesting that they had a number of very small cars as their main display with a diversity of engines. Their point was to ensure you knew you could get a mixture of technologies including gasoline, diesel, electric, or a combination of them. It was interesting that a number of major

manufacturers were promoting clean diesel emphasizing that the noisy engines and smell had gone and the economy of the fuel. Jaguar decided to withdraw their X-type from the US market as they will only be furnished with diesel engines. This was not the only reason for the move as profitably was a key factor. You could spend all day looking at the GM display but key offerings were the \$100,000 ZR1 Corvette looking more like a European sports car and the concept that really caused a stir was the Cadillac CTS Coupe. I understand that the appearance of this concept was a complete surprise to everyone as GM had kept it under wraps and secret. It looked a real winner and, like many of the concepts, ready to go on the road.

One intriguing car was the Fisker plug-in Hybrid Performance Sports Sedan. Smart looking, costing \$80,000, it does 620 miles with a full tank of gas or diesel or 50 miles on one battery charge. There were three Lamborghinis on their stand two of which were sold on the previous night to the show opening. There's plenty of \$ about.

Aston Martin and Porsche did not attend the show but Ferrari was there with their latest sedan and sports car. Always magical. One of the concepts that impressed me was the Ford Lincoln Sedan looking ultra modern. Alan Mulally, Ford's chief executive, in his talk said that they needed

to concentrate on its core business in North America and that Lincoln could be a worldwide luxury brand while admitting that it might be hard to establish Lincoln in European markets. Strange!! They have an established luxury brand in Europe...it is called Jaguar but they are selling that. At the same time as saying that it was all about Ford he said that they needed to concentrate on fixing Volvo and after a full strategic review that they had decided not to sell the company!

**Cadillac CTS Coupe**  
**Photo by: Jason Rzucidlo**  
<http://americajr.com>

It has been said that the Chinese are coming and there they were on the lower level where over the years Japanese and Korean cars have first appeared and been derided and ignored. Their offerings were unremarkable and their sales people were occupied with their paper work. Perhaps they were plotting their plan to take the market apart.

Yes Jaguar was there. They had a substantial stand, 50% of which was devoted to Bowers Wilkins Sound Systems. There was an upper deck to this part of the stand and I believe where an XF was housed but you could not enter to investigate. The remainder of the stand had models of a variety of XK's looking wonderful. I am sure that instead of buying a Rolls Royce I could do a deal for five XK's. The 2008 XJ 8's were redesigned at the front end to include gills, wire radiator and the growler. On a rotating circle was the new XF with all its doors tightly closed to keep possible buyers at bay. It was disappointing as all their key competitors had their offerings open to the public.

## Roving Reporter (cont.)

The Jaguar people, except for one brave female, were firmly and safely standing behind a counter not mingling with the punters. I said to one "the Indians are coming". He looked at me blankly and inquired what was I talking about. All amazing and I have to wonder who is in charge of marketing.

Alan Mulally said Jaguar and Land Rover are "ready to fly. When you look at the progress they have made it's terrific. They are ready to take the next step." He added that Ford "was in focused negotiations over several weeks with Tata which is the most favored buyer." So you could assume it is a done deal. It should be noted that Tata has 300,000 employees outside of India.

Our UK correspondent PGT reminds me that he has a great affinity with both Jaguar and Land Rover. He has owned many classic Jaguars and initiated me in its mystic allure. With

imposing.

Whatever the outcome of the sale, the winner starts with some fine new products but they will need to pump some energy and enthusiasm into the Jaguar sales people if this show is any indication.

Land Rover, fresh from fighting the war in the Pacific, he joined Rover in Solihull their headquarters, and in 1948 on the first Land Rovers hand painted the chassis as the Mastic paint would not go through the nozzle of the paint gun. He painted 10 each day and the money he earned paid immigrants fare (100 pounds) to Canada on the Aquitania. He returned a few years later. Now there is a bit of pioneering history for you. The Land Rover's stand was hive of activity and the new Range Rover looked very

**IS YOUR CLASSIC  
JAGUAR A MASTERPIECE  
UNDER THE HOOD?**

Sadly, it takes more than just perfect paintwork, nice chrome and a pristine interior to make a show winning car! What lurks under your bonnet is just as important as what sits on top. That's a cylinder head in the correct colour, dome nuts that you can see your face in and a chassis plate & decals that look like they were fitted yesterday! So if when you lift your bonnet you feel a little deflated about your trophy potential, allow us to make a few suggestions that may tip the balance in your favour!
