The Prez Sez November 2010

Perhaps most of you were consumed as Carole and I were with the World Series.

Well now it's over and of course we're very disappointed that the Phillies lost to the Giants. But after seeing how the Giants pitching staff and timely hitting against the Texas Rangers to win the World Series, they deserved to win it. Now, about the Eagles-----

This past month has been a busy month not only in sports, but for our club as well. We had three major events starting with the **Brits at the Village** on October 9th sponsored by the MGB Club of Philadelphia and featuring the Jaguar Marque, to celebrate it's 75th anniversary! DVJC member Glen Davis had encouraged our participation back in April and we responded by entering 18 of the total of 26 Jaguars entered! Don't miss the photos and separate report by our Vice President Mike Tate in this issue. I was very impressed with the MG Club's organization of this event and will support the future events that they sponsor!

The following weekend on October 17th was the **Hawk Mountain Run** sponsored by **Bennett Jaguar in Allentown, Pa.** They are very gracious hosts and in conjunction with our members **Gerry and Ella Jane Kunkle**, did the planning for the drive to Hawk Mountain. This event provides a convenient opportunity for our members in the Lehigh Valley Region to participate. Of course it also attracts other Jaguar owners as potential members, to enjoy the buffet & hospitality of the Host, Bennett Jaguar! Mother nature provided "top down" weather and Gerry and Ellajane selected a wonderful scenic route for our Jaguars to travel! **Good job Gerry and EllaJane!** See the photos and separate write up in this issue.

Just this past weekend several of our members have participated in our annual Sanctioned Event known as the **Pumpkin Run**. I have described it and encouraged more of our members to participate. Perhaps I should let the article written by **Kurt Rappold** our Rally Master and the Photos taken by **Brian Craig** better describe the fun and camaraderie that this weekend brought to the participants!

The **final Ballot** has been placed in this issue for your vote or approval, to cast and send to **Ann Perry**. The results will be announced at the Holiday Party and in the December issue of the Purr. It should be brought to your attention that a new candidate, **Rich Rosen** has agreed to run for the Office of Director, replacing **Karen Davis** appointed in September, who declined to run! It should also be noted that **Rich Rosen** has been a very active member, as a Judge, Slalom winner and participant at various events and I look forward to having him elected to a two year term.

I wish to give special recognition to Glenn Davis who

served as a Director of activities until July of this year to serve his country on active duty as a member of the Air National Guard now stationed in the Middle East.

I therefore proclaim a Special Resolution as a Courtesy of his Service to the Delaware Valley Jaguar Club :

WHEREAS this organization collectively and its members individually do acknowledge and appreciate the generous and effective efforts of Glenn Davis on our behalf
And

WHEREAS the current circumstances of Glenn Davis' service to his Country takes him out of our immediate sphere during this season of traditional fellowship with him and

WHEREAS our honored colleague does cause among us, a mixed feeling of pride in our association and absence of his companionship,

WHEREAS that we the members, officers and board of Directors of the Delaware Valley Jaguar Club do extend to Glenn our heartfelt wishes for a season of special significance, confident in his mission, assured of his value, blessed by his Creator, loved by his family, appreciated by his colleagues and missed by all to whom he is not near.

NOW THEREFORE BE IT RESOLVED that we wish to extend to him our prayers for his safe return to home and hearth and all the beauty that the season may possibly grant him, this year and for all the years to come.

We miss you and look forward to your safe return .

Your friends in the Delaware Valley Jaguar Club,

Charles Olson, President

That said, I look forward to seeing you all at our **Holiday Party on Sunday December 5th** at the **Whitemarsh Valley Country Club**. The flyer enclosed has the details.

Be Courteous, Drive Safely, and Have

At your service, President Charles Olson

Roving Reporter - November 2010

My wife is giving me a really hard time as I sit here trying to complete this small piece. Looking back it has been an interesting four weeks,

que” and we did our stuff and put 26 assorted Jaguars on the show field which was in sharp contrast to our showing at The Buckingham Show. Cars were placed in two groups:

Our visit to Hawk Mountain was most enjoyable even though we never saw a bird until exiting the 276 when on our way home via King of Prussia and a flock of Starlings darkened the sky. We missed Gerry Kunkle’s barbeque as my Pancreas had sent me really severe signals that it was about to misbehave. Naturally I took no real notice until October 31 when after a visit to emergency when they told me I had a large Cyst on my Pancreas and that a substantial part of the Pancreas had gone! “GONE” said I. Yes gone was the reply. Then the 50 \$ question. “Will I still be able to drive my Manual 420”. “What’s a Manual 420?” Came the reply. “No wonder they are bringing in ObamaCare where such matters will be discussed and debated” So they kept me until Friday and I have to report back early December. So you see why my wife is treating me unkindly

IT IS TIME TO WIN A COPY OF “JAGUAR SCRAPBOOK” By PHILLIP PORTER

Jaguar Cars are emotive. They are more than a mere means of transport but stir the passions. Whether classic Jaguars or modern Jaguars, they are loved by their owners and excite enthusiasts around the globe. Jaguar has a wonderful heritage and this book delves into that heritage in a very different way.

Porter has amassed an amazing archive of miscellaneous Jaguar – related items that he has been given by many of those he interviewed. These include period memos, drawings and sketches of alternative designs, rare photos, quirky objects, engineering reports. A selection of superb Alan Fearnley paintings is also included.

So What’s The Deal?. At this time the club has 152 families as members. Our forecast for 2011, on which our budget is based, is to maintain this number. Yes a flat net 152! But our goal is to increase our membership by 10% to 167.

JAGUAR SCRAPBOOK will be awarded to the one person who brings in the most recruits by the end of June. Our program has much to offer. A very exciting calendar of events including Country drives, Lunches, Celebration parties, Tech Sessions, Concours, Rallies, Club visits, Car Shows.

Also in June it is normal that we have a group of members who have not re- signed . We will publish a list of these members in the June/ July Purr and if you get some of these people signing it will add to your total.

We need everyone’s help in this recruiting effort and you can help right now by filling in the Renewal For 2011 and returning it to Ann Perry

Thank you for your co-operation.

Historical Car Club of Pennsylvania Show

By Kurt Rappold

The Annual Historical Car Club of Pennsylvania Fall Delaware County Community College Show was held on Sunday, October 17th, the same beautiful weather day our club took a driving tour to the Hawk Mountain Bird Habitat.

500 vehicles were present, all spread out in the Big Valley parking lots behind Delaware County Community College. Fred Mack received a plaque honoring him for his loyal years of dedication and membership after judging the Model "A" class of 13 cars and motorcycles with Kurt Rappold.

The HCCP club has been in existence since 1949 and functions like a "well oiled machine." Admissions alone for the 500 cars would have been \$7,500.

DVJC members in attendance were as follows:

Anthony Cimino	1967 E-Type Coupe
Wayne Tubbs	1967 MGB OTS
Dan Busch	1952 XK120 Coupe
Kurt Rappold	1967 E-Type OTS
Fred Mack	1953 XK120 OTS
Nick Perakis	1967 E-Type OTS

Fred Mack wearing his "two hats" as a Model A judge and motorcycle judge.

None of our DVJC members driving Jaguars received a trophy. However, Wayne Tubbs scored well winning a trophy for the MG. This is an extremely large class called Sports Cars.

One member showed up with a fleet of Stanley Steamers (5). It's an incredible collection of unbelievable value.

BRITS INVADE THE CAPITOL

October 2, 2010

By Ann Perry *and annsjag*

Blessed by a clear blue sky and "Golden Oldies" music from the public address system at Dover's Legislative Mall, British classic cars and motorbikes were proudly presented by the British Car Club of Delaware. On show prominently were Jaguars, Morris and Bentley classics. Judging for this event was by owners' choice for a winner in each class.

Jaguar classics were represented by a Mark IV, a bevy of XJ-S beauties and XJR. There was also a couple of XJ8 Saloons and an Aston Martin featuring in this dominant class. Elsewhere an XK120 kit car attracted attention.

MG was well represented by MG-TD, MG-TF, MGA, MGB and MG Midget sports cars. Triumph owners showed lovely TR roadsters, a GT6 and Spitfires.

Motorbike enthusiasts were pleased to see the second-placed Triumph 750cc Silver Jubilee among the entrants. First place was awarded to a 1955 Matchless V-Twin.

Two Wolseley Saloon cars caught the eye as did the Metropolitan, the award winning Austin Healey, and a Jensen Interceptor (one of two). The Jaguar class, showing 6 show stopping Jaguars was won by DVJC member Jeffery Marks and his 1995 green XJS convertible.

Saturday's peacefulness under glorious sunshine added to the occasion. Then late in the afternoon, after the Awards Ceremony, the entrants drove away feeling, no doubt, that their Lanchester, Morris Minor, Bentley Continental, Sunbeam Alpine, Jensens and Jaguars had delighted everyone.

2010 Pumpkin Run Rally

The Rally covered 128 miles Friday, 191 miles Saturday and 82 miles on Sunday with perfect weather. All (6) Jaguars and 28 other cars functioned extremely well. I was only aware of (2) flat tires on older cars with tube type wheels. Two new cars (Jaguars) to the rally scene are Corky Wetherill's 1960 XK150 DHC and Brian Craig's 1999 XK8 Red Coupe.

The below numbers give the scores and final DVJC results for all of our Jaguars. A lot of us still must work so Friday is difficult to attend. A friend of Steve Kress, Charlie and Jane Pistorio, also ran with us in their Mercedes as a novice and enjoyed our type of fun so much they accepted my membership application to join our club.

The oldest car running was a 1911 Velie made in the U.S.A. Just think, next year it will be 100 years old. Such a car.

The Northeast Rally Club slimmed down somewhat due to the passing of several members so we were all sharing our grief over this issue. We all look forward to our bi-yearly events rallying together.

2010 Pumpkin Run Rally (cont'd.)

By Brian Craig

The Delaware Valley Jaguar Club was well represented at this year's Northeast Rally Club Pumpkin Run. Six teams, all driving Jaguars, competed in this event. Bruce and Michelle Meehan drove their beautiful 1987 XJ-SC black cabriolet. Steve and Betty Kress rode in their familiar 1972 green E-Type OTS. Tom and Nancy Jones brought the readily recognizable 1986 XJ6 saloon in its near perfect British Racing Green finish. Cortright Wetherill, along with navigator John Litchko, left his Mercedes 190 diesel at home and participated in a stunning 1960 XK 150 convertible, another BRG paint scheme. Kurt Rappold and Bob Brown navigated their way in Kurt's reliable 1994 champagne colored XJ6 which is seen at virtually every DVJC event. Brian and Pauline Craig were welcomed back into the Jaguar owner's fold in their newly purchased, phoenix red 1999 XK8 coupe.

The awards started rolling in on Friday night when Kurt Rappold was recognized by the Northeast Rally Club by being presented with the Sister McRae Spirit of the Event Award. The Northeast Rally Club wanted Kurt to know how much they appreciated his continuing and tireless efforts to promote their events, especially within the Delaware Valley Jaguar Club. Tom and Nancy Jones were also called forward for having attained an ACE on Friday. On Saturday night ACEs were awarded to Kurt Rappold and Bob Brown as well as Brian and Pauline Craig who managed to get two perfect legs during the day. Sunday was

rounded out by Steve and Betty Kress and Cortright Wetherill and John Litchko receiving their ACE awards.

Sunday's awards presentation was rounded out by the Northeast Rally Club's awards and the Delaware Valley Jaguar Club's winners. Bob Bryan of the Northeast Rally Club called Brian and Pauline Craig forward to get their 3rd Place SOP plaque. After presenting 2nd place to a good friend and former navigator for Tom Jones, Brian Gomez, the first place winners were announced. Not surprisingly Steve and Betty Kress came forward to accept this honor. Kurt Rappold then came forward to present the DVJC trophies. These were specially designed by Kurt to commemorate the 50th Anniversary of the E-Type. Tom and Nancy Jones had very respectable times and earned 3rd place. Once again owning a Jaguar, Brian and Pauline Craig were eligible for DVJC prizes and happily accepted their 2nd place prize. First place was then awarded to - - - drum roll please - - - the ever proficient and effective team of Steve and Betty Kress. It should be noted that Steve and Betty are currently in 1st place nationally in JCNA for the T1 rally division.

Everyone headed home knowing the Delaware Valley Jaguar Club once again made its presence known at the Pumpkin Run Rally. We can only hope more members will join us in future events.

Highlights of the Celebration of the 75th Anniversary of Jaguar with a Run from Bennett Jaguar in Allentown to Hawk Mountain

By Gerry and Ella Jane Kunkle

The Bennett Jaguar team welcomed the DVJC to their facility for our run to Hawk Mountain on Sunday October 17, 2010. We met at their beautiful showroom at 12 noon and were provided a delicious lunch by Sagra Catering. Then at 1:00 P.M. it was off to Hawk Mountain led by Mike and Sue Wolf. Most of the 30 cars reached Hawk Mountain in about forty five minutes. Some may have been slowed down by the three page route guide / questionnaire which was provided. Most of the sixty or so participants continued past the entrance and down the steep and twisty road to route 895. I understand that Mike and Sue and others stayed and took advantage of the trail and lookout. Send Mike a message at mwolf@boenninginc.com if you would like to see some scenic pictures.

We had a great representative of Jaguar Automobiles for the 75th anniversary celebration. They included several XK120's, at least two XK 140's and an XK150. All were coupes except Russ Cramer's XK140 DHC. We had at least eight XKE's with all phases being represented. We had two mid 1960's saloons, Ethan Perry's 1965 3.4S and Mike Tate's 1967 420. We also had a great representation of XJS's. One was driven by Michelle Meehan and another by Tatiana Lubyshv. Russ Cramer drove his XK140 down

the northeast extension of the turnpike from Pocono Manor. He was quoted as averaging 75 MPH, passing many BMW's, and could have gone faster but his overdrive was not engaging. Of course we had X Types, S Types and all the new XF, XJ and XK models.

All of the Jaguars made the fifty seven mile Hawk Mountain loop back to Bennett Jaguar in less than two hours with no problems. Upon returning we finished the deserts and participated in a raffle of Jaguar and Hawk Mountain collectibles.

I hope every one took advantage to view the pictures Brian and Pauline Craig took. They were posted on the internet almost immediately after the run was over.

Bennett Jaguar has one of the 75th anniversary 2011 XK coupes in their show room. You can call Chris Rice, General Sales Manager, at 610-841-5700 and I am sure he will gladly give you the details about the car if it has not already been sold. It would be great to have one of the DVJC members own this beautiful triple black coupe.

I would like to thank Rob Bennett and his entire team for making this a great day for the Lehigh Valley Area of the Delaware Valley Jaguar Club.
