100 !!!

Fred Mack is ready to celebrate his 100th birthday!!! Be part of the celebration at the Desmond Conference Center on March 20th. The celebration is being hosted by the Delaware Valley Jaguar Club and the American Helicopter Museum. Fred's 1953 XK-120, which he purchased new and has beautifully maintained throughout the years, will be on display. See details inside this issue.

WHOSE JAGUAR IS IT ANYWAY?

When the members of the Delaware Valley Jaguar Club attend an event they try their best to participate in their beloved example of the marque. Some of us are fortunate enough to own more than one example. As space permits we will post random photos of Jaguars owned by our members. How many of these can you match to their owner? Just a little game. No prizes will be awarded. It's just an opportunity to recognize the incredible diversity of examples of this fine automobile owned by fellow enthusiasts. As you attend more events these cars and their owners will become more familiar. Hope to see you and your Jaguar soon.

The Prez Sez *February 2011*

I'm Baaackk! It's good to have a staff that can efficiently carry on the business of our Club without my presence. Especially my V.P. Mike Tate, who wrote the Prez Sez article for January explaining the need for my absence! Thank you Mike and thank all of you for your well wishes. Carole is home and continuing to do well, however it's tough and takes a lot of my time being a caregiver. I'm really not complaining for it's a joy to have her here with me.

With that said it's time to get back to work encouraging those who have not renewed your membership, but plan on doing so, to send your check to Ann Perry, our membership director, to continue receiving your Monthly Newsletter and the National Jaguar Journal. We would like to have you renew and continue participating in the exciting events our Director of activities team of **Rich Rosen** and **Tom Jones** are preparing for the 2011 calendar year.

Of course **our** first event is a dinner party in celebration of **Fred Mack's 100th Birthday on March 20th**. It will be held at the Desmond Banquet and conference Center, One Liberty Boulevard in Malvern, Pa 19355. A flyer for more information and reservations is inserted in this issue.

As most of you with E-types already know, a lot of celebrations have been planned for celebrating the 50th anniversary. The first in our area is called "Best of Britain." It starts at the **Simeone Museum** on Saturday February 19th with a **Push- Start Launch at 4:30 pm to open the show**. The flyer with more details are in this issue and I urge all of our members to attend.! I might add, Past President Kurt Rappold, will have his original '67 E-type in addition to Bryan Edward's perennial award winning '74 series III. Tickets must be purchased in advance and ticket info may be had by clicking on a line in the flyer.

After we celebrate Fred Mack's birthday, its back to business the following weekend. It's the AGM. (**Annual General Meeting**) **March 25th thru the 27th**. Mike Tate, our Vice President, and Kurt Rappold, our Chief Judge, have been selected to represent the DVJC. Kurt is also the National Awards Chairman and will serve a dual purpose. Since the AGM is held in **Richmond Virginia**, it offers the opportunity for our interested members to observe how the business side of the JCNA is conducted. Another opportunity, for those Regional and National winners of Sanctioned Events to receive their **Awards in person!**

SO- why not submit a guest registration form? The only cost would be \$70 for the Banquet. If you're not an award winner and choose not to attend the banquet you still have access to the seminars listed on your registration form. Go to www.jcna.com and click on 2011 AGM, then choose 2011 AGM registration form that includes Guests. This form is also included in this issue.

For those of our members with E-types, they also have the opportunity to be part of an extended weekend event, celebrating the 50th Anniversary, in conjunction with the AGM. This celebration is just part of the weekend on Sunday after the conclusion of the AGM business Saturday evening, at the Awards Banquet.

You do **NOT** have to be registered for the AGM to be part of the **XKE experience!** For an **Entrant Registration form** go to www.jcna.com, click on AGM and scroll down to forms... For more details on the workings of the AGM, see the Pres Sez March 2010.

During the month of April, Judges seminars are planned incorporating any judging changes and procedures submitted by the

(Continued on page 6)

The Prez Sez February 2011 (continued)

Judges Concours Rules Committee (JCRC) and approved at the AGM. There's a movement this year by the JCRC, to ensure all Judges are recorded as being properly certified. Our club will schedule two seminars in April, probably the 9th and 15th and I'll be asking you to consider offering your time to attend one of the seminars to serve as a Judge, at our Concours on June 4th. We have some new members and I'll be asking you to volunteer!

Our planning of events directors, **Tom Jones** and **Rich Rosen** have presented several varied and interesting events for April and May. They are presently in the planning stage and will be entered in the March issue of the Purr. They will supplement our Sanctioned Events in May and the Concours on June 4th. I like to point out to new members the availability of a "wealth" of information found on the JCNA website www.jcna.com and the DVJC website www.jcna.com/clubs/dvjc. In addition, perhaps you'd like to know if you've won a National or Regional Award –which might influence you to be a guest of the AGM. There are no registration fees for guests **However you must send in a Guest Registration Form (see above info)**

The following members of our club that are winners as follows:

Concours –National winners

Brian Edwards 1st Place class C-07
Wayne Tubbs 1st Place class C-10
Kurt Rappold 2nd Place class 19A

Concours Regional Winner

Ann Perry 1st Place class D-0 8A

Slalom National Winner

Ralph Steinberg 3rd Place class B
Rich Rosen 1st Place class E

All are eligible to receive their awards at the banquet. In addition there are other awards that all members of the JCNA can receive that remain as a surprise till presented to the winner at the banquet. Perhaps our own **Mike Tate** will receive a Newsletter Award in one of the several Journalism awards for an article written in the Roving Reporter, as he has done in the past.

Roving Reporter - February 2011

By Michael Tate

MARCH 20 FRED MACK WILL BE 100! YES ONE HUNDRED!!

Don't miss the fun. Fred will arrive by helicopter at the Desmond Hotel at 5:00 pm. His one owner 1953 XK 120 Roadster will be on display. (The XK120C came in 1st, 2nd and 4th at Le-Mans that year!) It is only 58 years old. So Fred was 42 when he made the purchase. I wonder what stories it could tell?

There will be speakers covering Fred's fascinating life and the times he has lived through. Two World Wars and the evolution of both the Jaguar and the Helicopter, the key means of his interests in transport in his life. Not to mention 17 USA Presidents. So when did you last go to a dinner to celebrate a 100 year old or, for that matter, when did you last meet a 100 year old who still drives his 58 year old sports car or makes parachute jumps from today's aircraft.?

Do you know the history of the Jaguar Leaper? well we are going to tell you about it (Fred was there) and show early examples from the 1930's including an original in bronze. Also we have an original helmet from Jaguar's Formula 1 Racing days (very rare) and we will ask Fred to wear it for a photo opportunity....you can too.

For dinner we will have the following Buffet choices:-

Mixed Greens with Cucumbers, Cherry Tomatoes and Two Dressings

Soup Du Jour

Citrus Salmon with Lemon Buerre Blanc

Grilled London Broil with sautéed Mushrooms

Penne Pasta with Chef's Marinara, Basil & Cheese

Ricotta Whipped Potatoes

Seasonal vegetables

Rolls & Butter

Pastry Chef's Selection of Desserts

Freshly Brewed 100% Colombian Coffee, Selection of Fine Teas & Herbal Teas and Iced Tea

This will be an historic event for both the Delaware Valley Jaguar Club and the American Helicopter Museum and one you should not miss so please help by signing up now (see flyer) so we can estimate the numbers.

A FUNNY THING HAPPENED THE OTHER DAY

At least I thought it was funny. I was with a friend & he was driving his new Jaguar XF. He suddenly said, "I will not buy one of these again!" As the XF has received worldwide acclaim I was surprised and asked him why? "It's not that I don't like it because it's a great car but I will buy a Classic Jag." "What do you mean...a Classic Jag?" He said, "You know, the Classic shape." So I said, "You mean the XJ model before this one or earlier." "Yes" he replied. "Oh, you are going to buy a used XJ" I said. "No, a new one" he answered. "They don't make it anymore. This is today's Classic Jag" I said. "They don't make it...why

(Continued on page 9)

Roving Reporter - February 2011 (cont.)

not?" he asked. I told him "They had made that shape too long and it was associated with the Pipe & Slipper brigade. It was losing them business to BMW/Audi etc so they came out with a totally new design and you're driving it." "I don't think you're right, they must make it" he responded. I left it at that. Well..... I thought it was funny.

Now if my friend had been a BMW lover he could have been well satisfied because every BMW looks the same and is designed around their trade mark radiator. To me they all look the same and I can't tell one from the other unless I am travelling behind one so if I have time to read the model number on the trunk before I overtake I know what it is!!

XK 8 R FOR SALE

I was in Main Line Jaguar on Lancaster Avenue last week 1/28/11 getting the mirror fixed on my wife's X-type wagon. Passenger side hit a warning bollard where the road was

under repair in Blue Bell. (I did not realize bollards were that tall) I was driving so it was my fault. What made the wait while they did the repair worthwhile was that I was able to inspect the black 2004 XK8-R Roadster that was for sale. It was like new and had only 19K miles on the clock. It had a 90 day warranty. I would have purchased it if I had garage space and the money but the next best thing I thought would be if someone in the club owned it. So if you are interested call Tyler Bent at 610 520 2000 and see if it's still available. They are asking \$32,000 which, for a low mileage R version of the XK 8, could be a great buy considering that a new XK R would sell in the region of \$90K. They said as soon as the snow has melted it will be gone.

ICE BOUND IN FEBRUARY

By: Kurt Rappold

It's been the snowiest winter I've seen in many a moon. The black ice we have today is nothing compared to what is forecast for later today. There is a big, orange (my favorite color) Sneider 18-wheeler sitting 90 degrees to Rt. 95 north blocking both shoulders and 6 lanes by Philadelphia Airport. Looking out our bay window I can usually see 3 miles across the valley to the junior high school but the visibility ends at the end of the woods at the back yard border.

I need a break from the mounds of trophy records I'm dealing with. And I am thinking about the passion that all of these wonderful Jaguar people must have experienced in achieving these awards during 2010.

We only award 3 trophies per class. This year we had 4 slalom classes with 25 or more cars entered. In the "hunt" for 1st, 2nd, or

3rd place there were many "new" names I learned this year which is a good thing for JCNA competition.

After watching this past weekend's "Rolex" 24 hour race I'm all charged up with my car passion. After the repaving of Daytona International Speedway the cars were all lowered because the track is so smooth. When I had 2 hot laps on the same course I peeked at my speedo which was reading 113 on the R750 bike I ride after the "bus stop" chicane. These boys had their prototype GTs up to 175, then down to 1st gear for turn #1. This they did for 24 hours with 3 drivers. At the end it was said they completed over 700 laps on this 3.6 mile infield course. That's passion!

Enjoy the list of 26 trophies earned by our DVJC members.

DVJC member
Glenn Davis

continues his distinguished service to our country.

On January 16th, 2011, Glenn checked in to let us know he is doing well while serving with the coalition forces “somewhere in SW Asia.” As part of the coalition he is cooperating with members from the United Kingdom. In addition to his outstanding military service Glenn has provided exceptional contributions to our club. He is responsible for the current revision of our by-laws as well as clarifying our tax status with the IRS. In addition, he and wife Karen organized several outstanding events for our club. We can’t wait for his return and enjoy his and Karen’s company at future club events. We look forward to seeing them in that gorgeous 1963 E-Type.

DVJC member Tony Cimino sent this photo he took at the Simeone Museum last year. This is a rare occasion when a C Type, D Type and E Type are seen together. This is a preview of what can be seen the the “Best of Britain” celebration taking place at the Simeone Museum from February 19th thorough March 13th. See page 6 for more information
