## The Prez Sez *March 2011*

---

All of you that have sent your renewal checks and new members that have contacted Ann last month, are now on our rolls as members for 2011. You will be eligible to receive the Monthly Newsletter, *The Jaguar's Purr*, and in addition the bi-monthly JCNA Journal magazine, which you will automatically receive by mail. All of you that have a computer can receive our monthly newsletter by visiting the DVJC website and download the current issue. We can't automatically send everyone a copy of the newsletter by **postal mail**. The fact is that our treasury **can't afford it!** So, most of you with an e-mail address, have agreed to receive it to save the club the cost of printing and mailing, which is about \$1.80 a copy including postage. This doesn't consider the cost of **time** for our volunteer member **Debbie Edwards** to pick up copies at the printer, preparing it for mailing by folding and affixing a label and stamp. About 30% of our members still request to receive their newsletters by postal service!

Some don't have computers, some have an e-mail address, but choose not to spend time nor the expense of down-loading the newsletter. Some just want a copy mailed, because that's how they prefer to receive it. A couple of cases require it for club records/ archives.

To offset increased postal costs this year, I'd like to appeal to those postal members with an e-mail address to consider receiving it electronically. I download my copy –scan thru the pages, copy only the pages I want, probably only a third of the newsletter. It saves time and limits the use of ink! There's a big campaign by **everyone** to do all your bill paying, purchasing and receiving information electronically

today. **Clubs like ours, it's a necessity. Please consider doing so, IF you have the means!** For every current postal member that changes to e-mail, will save the club close to \$22.00 dollars per year.

I'm also appealing to our members to attend **Fred Mack's 100 year Birthday bash** and to send in your checks to confirm you're planning to be there. It's less than three weeks away, you should have decided by now – so stop procrastinating!

Last Month I talked about the **Annual General Meeting** that the National Jaguar Club of America schedules, to provide it's affiliates an opportunity to discuss rule and business changes and to vote to accept or reject them. I've appointed Mike Tate and Kurt Rappold as our delegates. I've just received an advance copy of the agenda for the meeting today, and will contact our delegates to discuss how to vote for the best interest of our club.

**Our Concours** is scheduled for June 4<sup>th</sup> which is just a little over three months from now and my time will be largely devoted toward this effort. The advance flyer can be found in this issue. I have scheduled two judging classes that will be held on April 9<sup>th</sup> and the 16<sup>th</sup> at the Oakbourne Mansion. They will include any changes in Judging rules approved at the AGM.

Other events have been planned for April and May by our Events Directors and are posted in the Events Section of this Newsletter.

**Be Courteous, Drive Safely, and Have Fun**

*At your service, President Charles Olson*

## **FRED MACK 100TH BIRTHDAY**

I believe I have really hammered this subject enough!!!! Yes you say. Then I say "SIGN UP NOW" See the flyer enclosed with details. There is one change. Fred will now arrive by Limo. As there is no helicopter pad at the Desmond our pilot believes it could be too dangerous to land in the car park.

We look forward to seeing you there

## **HELICOPTER MUSEUM**

*In the course of organizing Fred Mack's party, together with Sherron Trio from the museum, I have been fortunate to see all the exhibits. To me it seems that they show every type of machine ever made. From single seaters to the very largest. Also included is a wealth of instructional material including a simulated flight. We are indeed fortunate to have such an historic institution so close at hand and I suggest that it is a wonderful and instructive opportunity to not only take children but their elders as well. Also surprising to me is to see number of retirees who volunteer their time to work on projects beneficial to the museum and therefore the public. Fred Mack is one of these volunteers and appears on a regular basis to work on various projects!!*

## **DOCTOR SIMEONE ACCEPTS MEMBERSHIP**

While attending the E-type celebration at the Simeone Museum on the evening of March 19 I took advantage of their offer to eat the evening special...Shepherd's Pie with Bubble & Squeek. Thus fortified I approached Dr Simeone and asked him to become an honorary member of our club. "How can I refuse?" he smiled back at me. So it is wonderful to know

# **Roving Reporter - March 2011**

**By Michael Tate**

that we have the support of such a knowledgeable enthusiast. Not only does he have the most superlative collection of famous sports and race cars but he owns the cream of Jaguar history an SS100 3.5 liter, a C-type and a D-type. Thank you for joining us Dr Simeone. Does this count "one" towards top recruiter of the year??

What's Shepherd's Pie?. Take one Shepherd or X pounds of lamb or beef and mince it. Add chopped onion, salt & pepper. Cook the minced meat then place  $\frac{3}{4}$  inch of mashed potato on top. Add grated cheese and bake until cheese & top is brown. What's bubble & squeek?? Preferably cabbage or any vegetable left- over's mashed into potatoes and fried. They're both to die for. If you don't like it you would not have survived World War 2!

We are covering the E-type exhibition in a separate part of the Purr but I believe it is worth mentioning that since I first went to the museum there have been continuing enhancements in both layout and content. The content includes the most amazing collection of sports and race cars that I have ever seen, all set in an environment which allows close up viewing without standing in crowds of people. Not only are there cars that represent various manufacturer's models famous in certain eras but many that are the exact cars that won those famous races. To be able to stand and feast the eyes on these wonderful cars and recount the daring and deeds of the famous drivers who powered them round the dangerous race tracks is a perfect joy. If you love the history of sports & race cars this is the place to be. Thank you Dr Simeone for making it available to us!

## **THE FUTURE OF THE SPORTS CAR**

I am thrilled to be representing our club at the Annual General Meeting of the Jaguar Clubs of North America in Richmond, Virginia over the weekend of March 25<sup>th</sup> especially as

---

## Roving Reporter - March 2011 (cont.)

---

much of the weekend will be spent eulogizing that icon of sports cars.....the E-type. At the Friday night dinner, hosted by Jaguar Cars, the subject of discussion will be "The future of the sports car." This, of course, is a subject close to every XK and E-type owner's heart. Not only that but I believe that the debate whether Jaguar should manufacture a sports car in the competitive range of the Porsche Boxster is a non starter. It's a no brainer. The future of the JCNA, Jaguar Dealers and indeed Jaguar itself may well depend on it.

Why do I say this? You only have to look in the Jaguar Journal and our club magazine and see many photos of old farts like myself with silver hair. What is needed is an infusion of young blood and such a sports car would do it. These people would catch the fever and as they age buy into the then current sedans. The price of all the iconic Jaguars are being priced out of the younger peoples range. The MG and Triumph clubs are thriving with the type of people we need. The reason that is so is that MG's and Triumphs are much lower cost than XK's, E-types and, dare I say, SS100's. Also restoration is easier to do your-

self and parts are much less pricey.

You will recall that some years ago Jaguar released, at the Detroit International Car Show, the F-type Concept a sports car similar in size to the E-type. It was a sensation!. Instead of manufacturing it Jaguar went in to Formula 1. A big mistake I believe. They are out of Formula 1 and have no equivalent sports car to the E or XK 120. I know Jaguar has the XK, a glorious car, but it is a Grand Tourer, not a sports car in the sense and price range that I am talking about. So I hope we will hear at the AGM that plans are made for the company to return to its roots with a worthy successor to the 50 year old E-type and the even older XK 120. Surely as we celebrate the E it is the time to do it and I hope that when I return from the AGM I will be able to tell you of the plan to again cause a revolution in the sports car market which has such huge potential. Just look at all those BMW sports cars running around. I look forward to reporting back to you what the future holds.

# DVJC Helps Open “Best Of Britain” at Simeone Museum

By: Brian Craig

---

Over the course of the past 50 years neurosurgeon Dr. Frederick Simeone has assembled a collection of some of the most significant race cars ever built. The Simeone Foundation now houses that collection in a museum in southwest Philadelphia. On February 19<sup>th</sup> the museum launched a “Best of Britain” celebration which runs through March 13<sup>th</sup>.

Part of the Best of Britain includes recognition of the 50<sup>th</sup> anniversary of the Jaguar E-Type. Three (3) members of the Delaware Valley Jaguar Club were invited to display their treasures at this show. On display are Bryan Edward’s 1974 OTS, Kurt Rappold’s 1967 OTS and Steve Schultheis’ 1971 2+2 coupe. They were joined by eleven other DVJC members to celebrate the recognition these members received by being invited to participate in this show.

In addition to being able to see several Jaguar E-Types the Best of Britain display included a 1951 XK-120 and a rare 1992 XJS-R. The Simeone Museum also contains a Jaguar C-Type and Jaguar D-Type, something that is very difficult to observe in one location. There were

other notable British marques represented including Triumph, MG, Morgan, Jensen, Austin Healy, Mini, and Bentley.

This occasion also represents an unusual triple 50<sup>th</sup> celebration. As noted it is the 50<sup>th</sup> anniversary of the production of the E-Type, 50 years of Dr. Simeone collecting significant race cars, and the 50<sup>th</sup> wedding anniversary of Kurt and Patricia Rappold. Following a dinner of traditional English fare Kurt surprised Pat with an announcement he was providing dessert with a 50<sup>th</sup> Anniversary cake complete with miniature Jaguars firmly rooted in the icing. Dr. Simeone was present to congratulate Kurt and Pat and to thank all the participants.

More information on the Simeone Museum can be found at:
