The Slalom is Coming!

Can you take your lovingly pampered Jaguar and drive it like it's a race car for five attempts to best the time of other competitive drivers? Your chance is coming July 14th. Check inside for details. (Those with sharp eyes may note the GPS in the windshield. While it's not prohibited it's also not of much use! Detailed instructions are provided by the staff.)

REMINDER—It's never too late to renew your membership!! If you haven't renewed please complete the form on page 12 and get it to Ann Perry. Ann can be reached at annsjag@aol.com if you have any questions regarding your membership status.

The Prez Sez July 2012

We're having a Sale! It's our annual 30% reduction of membership dues ! Why not send in your renewal **now** and take advantage of

this huge saving? Those who apply as new members are also included in this discount! Don't miss out on the exciting events that we're scheduling in the coming months.

The form for renewals /new members is in this issue on page 12. There will be an attempt to contact those of you that have not renewed- as yet. Perhaps you can suggest things that would help make our club more appealing to its members. Maybe you found our business card under your windshield wiper blade, why not visit our website? www.jcna.com/clubs/dvjc . Click on the Jaguar logo on the cover of our Monthly newsletter and view the Events Page. Don't hesitate to call for more info.

Starting the year we've instituted monthly **"Breakfast Meetings"** arranged in different geographical areas for the convenience of those members living in those areas. It's interesting to observe that the past three Breakfast meetings have attracted members from all over. These meetings are intended to be informal, a chance to drive that Jag and meet with other members. Perhaps they may also be affiliated with an event, such as last month's "Garage tour" hosted by Gerry Kunkle for the Lehigh Valley area. This month's breakfast will be in conjunction with the Trenton Thunder Baseball game and is listed under DVJC Events for details.

Invitations to **The Trenton Thunder Car Club and Baseball Game** has been extended to all the British Car Clubs in the region. The Trenton Thunder team is an AA affiliate of the N.Y. Yankees and they are scheduled to play the Reading Phillies. **A flyer can be found on page 18.** I'm the sponsor for the DVJC and I have a block of tickets for those that want to go. Each ticket is only \$8 dollars and can be purchased by contacting me. This is a great family event that combines an **informal car show** with a **baseball game**.

The car clubs are asked to **arrive at the Ballpark prior to 10:30 am** to arrange parking into groups representing their club affiliation. After our breakfast I plan on leading a 20 minute caravan to the Ballpark. We will leave the **Great American Diner** on Route 1 in Langhorne no later than 10am.

Parking is arranged opposite the main entrance and is secure from balls hit out of the park. There will be a \$3 dollar charge as you enter to park. All the British cars participating will be parked in that same area and will be on display for the spectators attending the game. A good opportunity to have membership" apps" or info handouts to interested people. Security will be provided during the

game. The various clubs will have seating at the game in a designated area. Perhaps behind home plate.

The previous **Saturday on July 14th** is our **annual Slalom**. It's a sanctioned event for the members that enjoy a competitive driving event. The entrants compete, not only for the fun of demonstrating their driving skills, but also have the times recorded for JCNA national completion. Every year we encourage our members to participate! So If you're just curious, why not drive to the event and watch how its done as a spectator? If you wish to enter, all you need is your Jaguar and the \$15 entrance fee.

Our Coordinators are putting together the events for the second half of the year, that have not yet been scheduled. " Breakfast Meeting" dates will be planned beginning in August thru the rest of the year in different geographical areas. Among our diversified schedule of events we have 4 **charitable events** scheduled thus far this year.

The **Father Feast** Event is held annually to maintain , educate and perpetuate interest in Rotary Wing Aviation, which was held on June 17th in conjunction with " Father's Day. " See the Separate article in this issue on Page 6.

The New Hope Auto Show scheduled for **August 11& 12** for the New Hope schools & community.

The Buckingham Auto Show for the Preservation of Open Space in Bucks County. This event attracts the best group of restored cars in the Delaware Valley. It's scheduled for **Sept. 16th** (see p. 20).

"The Classics at Brantwyn" scheduled for **Sunday Oct.7th** to benefit the Kennett Symphony of Chester County. The Delaware Valley Jaguar Club is supporting this event and an article in this Month's **"Roving Reporter"** by **Mike Tate**, describes the elegance of this Charitable event. **The flyer is in this issue, pages 9 & 10.**

July is the month I ask the incumbent officers if they are willing to be candidates for re-election . The members of our club that wish to serve as an officer are placed on the election sheet in October , for a two year term , for the position in which they wish to serve. If you are **considering serving**, but wish more details , **please** contact me by e-mail ,phone or personally before September. I will appreciate your interest.

Be Courteous, Drive Safely, and Have Fun

Father's Fest

By: Charles Olson

Father's Fest on Father's Day! What a marvelous venue, at **the American Helicopter Museum & Education Center near West Chester, Pa.** The venue invites, Motorcycles, Hotrods and Classic cars, to join vendors providing food and a variety of merchandise to create a festive atmosphere where helicopter rides add to the excitement! There are many Helicopters on display inside the large hangar of different vintage, showcasing the history of rotary aircraft. Also a helicopter flight simulator to get the experience of flying! This is a great opportunity for Dad to share this event with the family! I know I did, joined by my Daughter Connie, son-in-law Steve and my two grandsons, Steve and Alex.

Kurt Rappold greeted me upon my arrival and said, "this is the event that I enter my two motorcycles, and Ann Perry and Steve Poset are holding a spot for you between their two XJS Jags." The DVJC representation now consisted of three XJS Jaguars. We had joined a disparate group of well restored vehicles ranging from a 1930 LaSalle Touring to a 1903 Olds replica and many well restored cars of the 40's and fifties, joined by several classic motorcycles, including two entered by Kurt Rappold. It was a "laid back" car show with the emphasis on display and pride! A "Peoples Choice" ballot for selecting a winner was provided for everyone who attended.

Perhaps you know that Fred Mack has been a volunteer at this Museum for many years and still contributes his time. Using his engineering background he designed and directed the construction of a Traffic Control Tower as an exhibit, now on display in the hangar. It didn't surprise me to see Fred sitting in front of his 1953 XK-120 Jaguar, but I know it would surprise many to know that Fred drove the car here today!

I'm always on the lookout for enlisting new members and take every opportunity to recruit my two Grandsons as Youth Enthusiasts. As much as they were interested in my Jaguar it couldn't compare to the thrill they described as **"Awesome"** for the Helicopter ride. One Helo had room for four passengers, so Mom, Dad and the two boys had the chance to experience the flight together. If you missed the chance for a ride during the Father's Fest event, you can visit for helicopter rides on the Special Event weekends by visiting their website Helicopter-museum.org.

5 CONCEPTS THAT WILL CHANGE THE WAY WE DRIVE

So said the cover of this month's "Road & Track" and backed it up with a full frontal view of the Jaguar Concept C – X16. The four other filling in behind Jaguar are Lamborghini Aventador 1, Acura NSX, BMW i8, Cadillac Ciel. Their point is that these five super cars have real relevance to future production supercars. They tell us not to fear. "That in the face of higher fuel economy standards and stricter emission controls, the idea of fast, fun and fantastic 4 – wheel fantasies is not dead. These five concepts show, automakers are working overtime to blend efficient technology with stunning bodywork and outstanding dynamics. The future beckons."

So what do they say about the C – X16? Not a lot that has not been said before. Lightweight, hybrid power, aluminum construction etc., and that this car is still under development. "That cat, in the mold of the legendary XJ220, could be in production mid-decade. BUT what they do tell us is "Jaguar has announced that it will launch the F-Type 2 – seater in 2013 with a design that is based on the C – X16 " While the C – X16 is a coupe the F will be launched as a OTS with the coupe to follow at a later date.

Jaguar Director of Design, Ian Cullum, had this to say, "I have been waiting 10 years to do this car. We had two stabs at this previously. But the brand wasn't ready for it. Now we are and I think the car speaks for itself." Answering the question "Except for the top it will be the same as the C – X16?" he replied, "Concept cars are a bit of a tease. A lot of the times you don't deliver. But what's the point then. That's why we want the final product to be as close as possible." That is wonderful news because the C – X16 is stunning and in keeping with the Jaguar tradition.

Ian Callum is a renowned automotive designer. He is responsible for outstanding vehicles as the Aston Martin DB7 and Vanquish (ever notice how the Aston Martin looks so like the Jaguar XK), the Nissan R390 Le Mans race car. The British designer started at Jaguar in 1999 where he would go on to pen the XK, XF, XJ, C – X75, C – X16 and the new F – Type. What a resume'! When Tata took over JLR there were rumors that he would resign. Tata must have quickly realized his worth and done the right thing. As I may have mentioned many times "you can manage the \$'s but if you don't have an outstanding product you will manage the \$'s to bankruptcy". Such a great combination. Tata's willingness to invest and Callums' genius for design. What an exciting day it will be

when the F – Type hits the road. Can't wait.

I wonder if the Queen, in her wisdom, will make him "SIR CALLUM"?

MIKE SMYTH REVEALS MORE JAGUAR PLANS

Mike Smyth is the President of both Jaguar/Land Rover Main Line and Willow Grove and a very good friend of DVJC. He recently sent Brian Craig (PURR editor) and I the following e-mail:- "I have just returned from a dealer board meeting in NY and I wanted to take the opportunity to provide some feedback on what took place during that important two day meeting. Before I provide that feedback, I wanted to thank all of you for continuing to be great ambassadors of this amazing brand. A brand, as we know, that has struggled, only because the lack of any product cadence over the last 15 years. This has obviously hurt your membership due to our eroding customer base. This trend is very quickly coming to an end and I look forward to your membership growing rapidly over the next several years. The information listed below has not yet been released to the press so for first time your wonderful group will have some inside information.

Last year 84% of the vehicle volume in Jaguar competitive segments was all wheel drive volume. Despite how some purists may feel about all wheel drive it is a minimum customer expectation in today's luxury car market. Our lack of all wheel drive was absolutely killing our brand!

We will have an all wheel drive Jaguar XJ this December. The XF all wheel drive version will follow in the first quarter next year.

The new 3L supercharged V – 6 (340 HP) went into production this June

The XF with both the 3LV6 engine and also the 2L14 engine will be launched this fall

We hope to see the new smaller convertible F-Type for the 2013 Spring market. The car will come with a 3LV6 that is 340HP, a 3LV6 that is 380HP and a 5LV8 that is 495 HP. It is truly stunning!!!

All 2013's XJ's and XF's will have 8 speed transmissions.

It appears that our 3LV6 compares very favorably to the other engines within our competitive seg-

Roving Reporter - July 2012 (continued)

ments.

The new 2L engine in the XF will deliver 240HP and this car will carry a sub \$50,000 price point

Our new V6 engine delivers consistent performance to today's V8

Our current Jaguar V8 will now only appear in the XJ8L sedan

Both our engines and our keys are getting smaller. In 2013 we will say goodbye to that old heavy key and get a 40% lighter Jaguar key

We will see new sound systems in all XJ's and XF's during 2013. The Meridian systems will reduce sound distortion at high volumes 9.8%

2013 XF pricing will be \$46,775 in the 2L engine. 3LV6 supercharged will come in at \$50,000 and our All Wheel Drive version is a \$3000 option. The XFR will continue to be available at \$82,000

On the back of each Jaguar we will see the LEAPER plus the words JAGUAR written. I know this sounds a bit obnoxious but surprisingly it looks great

In closing, for the first time in 10 years our studies have identified that younger people are now having favorable rating to the Jaguar Brand. Of course, new products and a new sexy convertible will only enhance our brand image. Thank you for your continued support and I look forward to seeing each of you in one of our showrooms."

Thank you Michael for sharing this information with us. It is indeed good news to see JLR bringing in new products and innovative thinking. William Lyons will be rejoicing together with Lofty England.

THE CLASSICS AT BRANTWYN

This will be, on October 7th, my 4th attendance at this super show. WHY? Because it is one of a kind. LOCATION. The former residence of the DuPont family at the Brantwyn Estate. CARS. A collection of rarely seen exotics specially selected for this event. Each individually introduced as it circles in front of the main house while you enjoy a "Lamborghini Bellini" in a long, cool, glass. GOURMET BRUNCH The menu is of the highest quality served in the DuPont home together with an open bar to enjoy a cooling glass of wine/s. MUSIC To accompany the festivities and provide an atmosphere of relaxation Muddy Waters & his wife will entertain with their special

brand of music. EXHIBIT INSPECTION All the participating cars will be parked at the rear of the Grand House in individual spots in the beautiful garden with a full description of their heritage. COOL CAR CORRAL This where you park your Jaguar close to the action. Take a Photo of it in front of the residence.

We have a special price. \$75 each if we parade four Jaguars. The first time I went I thought, before the event, that it was expensive. I was wrong! It is not if you want to enjoy a very different event and don't forget it's a charity. See the registration form and write up with directions. It is especially good for the ladies who normally attend car shows and sit while their menfolk chew the fat.

The following was received from Mike prior to publication.

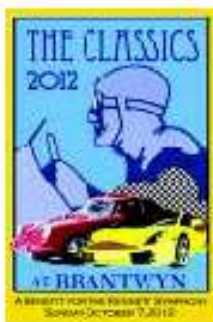

The good ship Queen Mary delivered us safely and without incident to that sceptered isle. No icebergs. We have had since some memorable storms with record rainfalls and Jaguars galore. The purpose of this mail is to ask you to add the following to my July purr piece.

JAGUAR SCORES IN RELIABILITY POLL

I have been concerned recently that Jaguar were experiencing another spell of unreliability with new products. The reason for this concern was that a number of my neighbors had reported that they had heard and read of unreliability problems. Now I never know if they are just pulling my leg or telling the truth as they all support our wartime enemies Germany and Japan. What got me more concerned was a letter I recently received from a firm of lawyers offering to act on my behalf in a lawsuit against Jaguar citing the problems I had experienced with my XK coupe. I had not experienced even one problem and neither had a friend with an XF. My brother in law has not had one problem in two years. So to ease my concern I was delighted to read the latest reliability poll conducted J. D. Power and Associates.

Kennett Symphony's "The Classics at Brantwyn" Brunch, Blues, and Hot Cars A Fundraiser to Benefit the Kennett Symphony of Chester County

DESCRIPTION: The Classics at Brantwyn is an event centered on beautiful and historic automobiles from the beginning of the 20th century to the present. It is not your typical car show – rather we like to describe it as a wedding reception without a bride and groom. Held on the exquisite grounds of the Brantwyn Estate (formerly a DuPont family residence), the event features an open bar, gourmet brunch catered by the DuPont Country Club, and musical entertainment along with the magnificent cars.

EVENT DETAILS: The event will be held on **Sunday October 7, 2012 at the Brantwyn Estate, 600 Rockland Road, Wilmington DE.** The main event is preceded by an optional one-hour rally by the car show participants through the back roads of Chester County. A **Grand Parade** onto the Brantwyn grounds kicks off the main event at 11:00 am. Each car pauses in front of the mansion to be introduced to the guests who are sipping "Lamborghini Bellinis". The cars proceed to assigned spots in the garden at the rear of the mansion and remain on display while the guests enjoy brunch, drinks, and chatting with the car owners. Voting for "People's Choice" award concludes the event at 2:30 pm.

REGISTRATION DETAILS: A special car-club price of \$75/person is being offered (regular tickets for the event are \$95/person). The reduced car-club price is conditional on having a minimum of five cars registered for your club. Each pre-registered vehicle will also receive one event dash plaque and one event poster.

To Register:

- ☐ Fill in attached Club Field Registration Form; make check payable to **The Classics at Brantwyn**
- ☐ Mail form and check to The Classics at Brantwyn, c/o Kennett Symphony, PO Box 72, Kennett Square, PA 19348 by September 1.
- ☐ **NO DAY OF SHOW REGISTRATION FOR CLUB FIELD PARKING.**

Instructions for Day of Show:

- ☐ Drive your car to the event; tell the gate attendant that you are registered as a Car Club participant and he/she will direct you to the Cool Car Corral. Gates open at 9:30 a.m., **rain or shine.**
- ☐ Give your club name and your name to event parking representative at the Cool Car Corral parking area who will give you admission tickets and a "goodie bag". Park in your club's designated area (look for signs) and wait with your car.
- ☐ Be sure to bring your club's promotional banners and handouts—offering an excellent opportunity to recruit new members.

Begun in 1940 as a community volunteer orchestra for Kennett Square residents, the Kennett Symphony of Chester County has evolved into Chester County's only fully professional symphony orchestra. Subscriptions are now available for the 2012-2013 Season, as well as individual concert tickets for the remainder of the 2011-2012 season. For information, call 610-444-6363.

Message to JCNA Members and AGM Delegates

By: Steve Kennedy

Club Members and Club Delegates,

The 2013 AGM will be held in Mexico City, Mexico. The AGM is on Friday, April 12th, 2013. Board of Director's Meeting is on Thursday.

As this is a chance of a life time for most to visit Mexico City, a week long event is available beginning on Tuesday, April 9th. This will be an ideal time for all JCNA members to take a vacation in Mexico City, even if you do not want to attend the AGM. There are several tours scheduled, more if there are enough people attending who want to go places. All tours will be accompanied by English speaking members of the Mexico City Jaguar club.

Monday-Arrival, Tuesday-Tour the National Museum Of Anthropology or Mexican Art-crafts Market, Tuesday Evening-Dinner at a local restaurant, Wednesday-Pyramids Tour, Wednesday Evening-Dinner At "El Lago" Restaurant, Thursday-Santa Fe Fashion Mall Or JCNA BOD Meeting, Thursday Evening-Welcome Dinner At "Hacienda De Los Morales" Restaurant, Friday-AGM Or San Angel, Coyoacan And Xochimilco Tour, Friday Evening- Awards Banquet, Saturday Concours D'elegance.

JCNA members and club delegates, we need to know whether or not you plan to attend the 2013 AGM by October 1st, 2012.

Delegates, if you do not plan to attend, we need to know that right away as well. If someone else from your club would like to go in your place, we need to know that.

Please go to www.jcna.com, click on the AGM link on the right in the green menu bar to see details and pricing.

The DVCMG Presents... The 8th Annual...

**In Association With The Pennypacker Mills Historic Site
"In The Good Old Summertime" Festival**

Saturday, August 4th 2012

The Pennypacker Mills Historic Site, located aside the Perkiomen Creek just below Schwenksville, PA off of Route 73, is an ideal and picturesque location to display your British car. Plan also to attend and enjoy the sights and sounds of the Pennypacker Mills Historic Site's "In The Good Old Summertime" Festival adjacent to the car show field on the mansion's grounds. There's a lot to see and do for the whole family including vintage big wheel bicycles, live music, and Victorian lawn games. Refreshment service is available so you can relax under the stately trees and enjoy both the car show and the festival.

Car show registration opens up at 10 AM with general admission starting at 11 AM. Voting begins at 12 Noon. Trophies will be awarded by popular vote based on marque and there will also be "Best of Show", "Ladies Choice", "Diamond in the Rough" and "Club Participation" awards.

The entry fee is \$15/car prior to July 20th and \$20/car thereafter and includes a dash plaque. Free T-shirts to the first 40 paid pre-registrants. Free entry to "In The Good Old Summertime" Festival and a tour of the mansion are included. The Pennypacker Mills' British Car Show pre-registration form is available at www.DVCMG.com or call 610-792-1158 for information. Don't delay, pre-register now. See you on the car show field!
